

LACEY GREEN SCHOOL

My idea was to write about the school, but found the teachers' log and the Inspectors' reports told the story by themselves. I have resisted the temptation to add my own thoughts. "Step back with me and be caught up in the struggle to climb the educational ladder".

Feel for the teacher who asks "How can I teach 60 children in one small classroom all on my own, with ages from three to fourteen". Some children walk over two miles to school. They arrive soaking wet but there is nowhere to hang their things let alone dry them. It is cold and dark. How can we succeed?"

But this is a success story. It is social history. You will have to imagine the curriculum, heavy on religion. Just a taste on the first page for some swashbuckling stories. Although this is about Lacey Green it could be any little village.

These teachers and children have me enthralled so that sometimes 1900 A.D. seems more real than the year 2000.

-ooOoo-

This booklet is dedicated to all who laid the foundations, against such odds, of the modern school that we know today as St. John's Combined Church of England School, Lacey Green.

ACKNOWLEDGEMENTS

I must acknowledge the help given to me by Teresa Foster and Dennis Claydon, both of whom have written for the book, not to mention spending hours pondering over all the possibilities and encouraging me when the see-saw of enthusiasm had got me at the low end. Also the people who have given me and lent me their precious photographs.

Even more I must thank my family who have helped me get this off the ground. Without their expertise, tolerance and help in every way I would certainly not have seen it through.

Lastly the use of the Buckinghamshire Records Office and most of all the Lacey Green School log books.

Any profits resulting from this book will go to Lacey Green School and the adjoining Sports Ground, which I believe are an invaluable asset that we cannot afford to lose.

I hope you feel the same way, buy the book and enjoy this dip into the not so far distant past. Bear in mind that piped water only came to the village in 1934, four years after this book ends. If the water tank at the school ran dry the children had to pop across to The Crown pub for a glass of water. What a blessing to have a friendly publican nearby!

LACEY GREEN SCHOOL

The Charity Commission state with regard to Lacey Green Church of England Primary, later St John's Church of England Combined School

"The freehold property of the school is comprised in four conveyances, all under the school sites acts. The said documents are dated

December 16 th 1870	Deed of Gift, from Charles Brown to the Vicar and Churchwardens of Lacey Green Chapel. (Church of England)
December 3 rd 1875	Conveyance from Charles Brown to the Vicar and Churchwardens of Lacey Green Chapel. (Church of England)
March 15 th 1926	Conveyance from William Saunders to the Vicar and Churchwardens of Lacey Green Chapel, ¼ acre land
November 1 st 1926	Conveyance from William Saunders to the Vicar and Churchwardens of Lacey Green Chapel, additional land

Subsequently there have been considerable extensions to the school and playground areas.

A copy of the 1875 conveyance is at the end. In it the land is conveyed under the School Sites Act. It is evident that schooling had been taking place prior to that date but no precise date or place is given. Charles Brown was a gentleman farmer of some standing. He was also a churchwarden in Lacey Green. In the eighteen seventies schooling was being put on a more formal footing and also Charles Brown was getting near to retiring and tidying up his affairs. It is possible that he had been encouraging schooling for some time and was now simply making it legalised.

There were dame/lace schools from early days. Harry Floyd's grandmother, Ann Horwood, had come to the village at the age of fourteen, in 1847. She and her father were in service to the vicar. Not at the old vicarage, now known as Lacey House, as that was built nearly thirty years later. When he realised that the young Ann could read and write he asked her, a few years later, to start a school, This she did, calling herself their "governess", teaching the children to read and write and do some summing. The girls did sewing, bringing their clothes ready tacked to make them. Ann married Peter Floyd in 1854, having the first of four children in 1855. She and her husband lived in the cottage that came to be known as Floyd's Farm, right behind the Old Chapel. Harry Floyd never said where his granny did her teaching. Teresa Foster and Dennis Claydon write about the Old Chapel elsewhere.

Bernard Houghton, vicar here in the 1960's said the school had been started in 1866, but he was referring to the site of the present school, his source of information is not known, and he, sadly, is no longer with us to ask.

One last mystery yet to be unravelled. In the census of 1851, in Lacey Green, teaching 22 scholars was Mrs Mary Ann Floyd. She was born in 1815 at Thorncombe, Devon, now Dorset. She married John Floyd, son of Joseph Floyd and a cousin of Peter, later to marry Ann Horwood, and he was also a brother of William Floyd, who was a cordwainer and had property right near the old Chapel. Mary Ann Floyd died in 1852, aged 37, She had a son Albert Joseph who married Julia Plumridge and a daughter Mary Ann who married George Harding. But what was Mary Ann's maiden name? Will all be revealed in book two?

LACEY GREEN SCHOOL BY DENNIS CLAYDON

Trade Directories indicate the opening of a day school in Lacey Green in 1851, however, it is uncertain if the building occupied the present site. Reputedly Ann Horwood was the first teacher or governess. Born in 1833 at Aston Clinton she came to Lacey Green as a domestic servant at the age of fourteen. Ann was extremely privileged for her generation, she could read and write. So impressed was the Vicar of the day by her ability, that after three or four years, he invited her to start a village school. Parents paid a penny a week towards their childrens' education. Ann, in her own words, taught the children "their letters and a little summing"(writing and arithmetic). Mothers sent their childrens' clothes to school already "tacked", so that the pupils might be usefully employed by adding to their wardrobes. For all these tasks Ann received the sum of half a crown a week (twelve and a half new pence) from the Parish.

In 1854 Ann married Peter Floyd. They honeymooned in the old cottage, which came to be known as Floyd's Farm, to the rear of the "Black Horse" During the following seventy years they never moved from the farm again. Neither Ann nor Peter ever saw the sea, nor did they wish to do so.

It seems unlikely that the Vicar would have sufficient funds available to erect a new school building, therefore there must have been a place where this first school was held. One possible theory, but it must be stressed it is only a theory, is the old Chapel once situated along the track leading to Floyd's Farm. People still living in Lacey Green have heard their parents and grandparents speak of this building. Methodism came to this area in 1835 with a mission by Reverend James Pole, centred on High Wycombe and the surrounding villages. John Carter Dell of Lacey Green may once have been strongly influenced by this Mission, for he erected a Meeting House for the use of the village Methodists. John's parents and grandparents owned Speen Farm, (now the Home of Rest for Horses) as well as other properties in Lacey Green. John, born in 1796, in turn a farmer, shopkeeper and grocer, also owned land and property in Lacey Green on his own account. He had eight children, five daughters and three sons, but died in 1840, at a comparatively early age.

An extract from John's will makes his wishes clear. "I also give and bequeath unto my said wife all that my Freehold Meeting House erected by me for a place of Divine Worship of the Primitive Methodists situate and being at Lacey Green in the Parish of Princes Risborough aforesaid – with nine feet of Freehold land adjoining each side of the Meeting House - for her absolute use-to have power to sell or lett or to keep in her own possession". After John's death, did Betsy, his wife, "lett" this building for use as a school? Perhaps it served a dual purpose, i.e. school on weekdays, Chapel on Sundays? Although records are sparse, they suggest the building probably continued in use for worship until the opening of the present Methodist Church in 1855.

Making provision in his will for his two eldest daughters, John Carter Dell decreed, "I Devise unto my Daughters Mary and Ann my field adjoining the said Meeting House aforesaid containing one acre of Freehold land be the same more or less with the cottage or building thereon standing. " Documents relating to property in the vicinity of the supposed site of the Chapel have recently been examined. This documentation refers to "two houses and schoolroom," adding support to the above theory. With the building of the present school and the opening of the Methodist Church the building probably fell into disuse. The stair banister of a nearby cottage is reputedly made from the woodwork of the former Chapel, whilst the cottage itself is said to have had "every inch of it's floor prayed upon. Two other cottages in Lacey Green, of traditional Chiltern brick and flint, likewise are said to be partly constructed from stones of the old Chapel. These latter cottages were certainly in the ownership of the Tomkins, a staunch Methodist family for many years.

The foregoing would suggest the former building was probably demolished and the materials reused. If only those stones could tell their story.

A VILLAGE SCHOOL ROOM BEFORE ST JOHNS? BY TERESA FOSTER

I am always proud to tell people that my grand parents, mother, myself and my children have all attended St Johns at one time or another throughout the schools history and hope my grandchildren (if I have any that is!) will carry on the tradition.

Some childhood memories are for some reason more easily remembered and no more so than anything which has a slightly spooky feel to it. This for me was a flight of old stairs and rail in the family room – Clovelly. This was formally my grandparents, Horace and Ivy Rixon's house. These stairs and rail (painted bright green and full of woodworm I recall) came from, so my grandfather told, an old Chapel that once stood on our grounds and that the aforementioned stairs were used in the house when this Chapel was demolished.

I was caused many nights of fright and panic as I ran up these stairs to bed imagining all the devils in hell chasing me (not to mention the ones with grabbing hands under the bed).

It seems very likely that the Chapel was used as a schoolroom before St Johns was built and that a teacher by the name of Ann or Mary Ann lived nearby. No excuse to be late for work, come rain or shine. Evidence that the Chapel did exist is backed up further by paperwork relating to a will written by a Mr John Carter Dell leaving it to his wife. Now we have to find out if it was passed on to their children. More information found could well uncover whether it was indeed used as a schoolroom.

The stair unfortunately no longer exists but I do have, luckily, photographs of them. They were certainly part of the Chapel, could they have been part of the first teaching place in Lacey Green?

1874

April 17th

Commenced duties on Monday morning with 37 children. Found them fair in reading and spelling but quite deficient in writing, arithmetic, tables, scriptures and catechism. 12 children admitted during the week. Thursday afternoon set all over six to write the letters capital and small from dictation, all failed. The vicar and Mrs Burgess and the Reverend Grace visited the school this week.

April 24th

Twelve children admitted this week, all of them very backward in writing and arithmetic. Children appeared very dull in answering questions and in repetition. They have been late in the morning and very irregular in attendance throughout the week. On Friday only 12 children present it being May Day. The Vicar gave them a half holiday.

May 8th

Only 27 children present on Monday morning owing to a tea meeting in the Chapel. Gave them a holiday in the afternoon. Two boys kept in to read after school hours for not reading properly to the monitor.

May 22nd

On Friday morning kept class IV in to read during playtime, for not obeying the monitor during the reading lesson. Better attendance. Average 46.

May 29th

The vicar gave the children a holiday on Whit-Monday. Commenced duties on Tuesday with 23 children. Admitted a girl ten years of age quite deficient in arithmetic. Punished two boys on Thursday afternoon for coming in late.

May 12 th	

The following summary of H.M. Inspectors Report on this school and remarks on it were received:

“Miss Burrows seems to have found this school in a most inefficient state when she took charge on 13th April last. Since that time the scholars have made fair progress. The infants require great attention. Those in the third standard read badly. Writing is pretty good but arithmetic and needlework are pretty fair. The children attend very irregularly. As many infants as possible should be sent to Speen and Loosley Row and the older children brought to this school. My Lords have allowed the full grant with hesitation. They will look for a much better report next year. The ninth supplementary rule must be strictly observed in future. My Lords have overlooked its infringement, as this is the first inspection of the school.”

May 28 th	A very good attendance all the week. Admitted three girls and a boy on Monday. Kept 10 children in until half past four on Wednesday afternoon for coming in late. Miss Powel took the sewing on Monday and Mrs Burgess on Wednesday. The vicar paid us a visit on Tuesday and Friday afternoon.

Lacey Green School - Against all odds

- April 7th children have been very irregular this week. Ten being absent all week. Only fifteen boys on Wednesday afternoon owing to some races in the neighbourhood..
- April 13th Admitted a girl as half-timer on Monday. Miss Powel took sewing. Mrs Burgess and Mrs Hunt came in. On Wednesday the children were examined by Mr Herbert, H.M. Inspector. 67 present. The Reverend W.J. Burgess, Reverend O.J. Grace and Mr Brown were in the school during the examination. The vicar gave the children a holiday in the afternoon. Friday morning only 25 as it was very snowy.
- April 28th Resumed after the Easter holidays. Several very late. Several boys away all week.
- May 5th Only few at school on Monday as it was May Day. They were given an afternoon holiday.
- May 12th The boys attended very irregularly, most of them going wooding in the afternoon.
- May 23rd

Summary of the Inspectors Report received May 23rd:

“The school has made distinct improvement since last year’s examinations. It is now in a decidedly promising state which is creditable to Miss Sarah Burman. The Managers and teacher had been informed that the examination this year would not be according to the new Code of 1875 consequently subjects taken under article 19© were not successfully done. The sewing is good.”

- May 28th Admitted a boy three years old and four others returned who had been away since Easter. Two children absent all week as they had not got the school pence.
- June 9th Only 24 children attended through the week.
- June 16th The boys attended better until Friday when seven went off wooding. On Thursday kept a boy in till 5 o’clock to finish his lessons.
- June 30th Admitted a boy 3 years old. Three or four children returned who had been absent since Whitsuntide.
- July 28th Only 27 children present on Monday morning owing to the weather. Admitted a girl 3 years old. Two boys away at work and another sick.
- August 4th Very thin attendance all the week. Several away in the harvest fields. The vicar gave a holiday on Wednesday to attend the school treat. Broke up.
- September 9th Admitted 4 infants. The boys are still in the harvest fields and several little ones sick with measles.
- September 16th A very poor school during the week owing to harvest work and measles.
- September 22nd Only 20 children at school. Most ill with measles.
- September 29th Only 7 present on Monday. Gave them a holiday. On Tuesday admitted 2 boys, one twelve years old, who has been at Park Field.
- October 6th Admitted 2 infants. Two girls returned having been away six months.
- October 13th Began school duties at 10 o’clock, as the blacksmith was putting up the stove. Three boys returned who have been away since harvest, and two away all the week, stone picking.
- October 20th Five children came back having been absent since the harvest holidays. They are very backward and slow. The boys have been very irregular.

Lacey Green School - Against all odds

1877

- January 8th Commenced my duties. Found the children forward in reading and spelling but very backward in arithmetic.
- February 16th Mr and Mrs Forrest visited the school. Poor school on Tuesday on account of a confirmation being held at Risborough.
- April 13th A holiday was given on Friday, the room being wanted for a concert.
- April 20th The annual examination was held on Wednesday 18th. Half holiday was given in the afternoon.
- May 17th

Summary of H.M.I. report, received:

“The school has done pretty well in the examination in the elementary subjects and some care has evidently been bestowed upon grammar and geography. The discipline is not so good as I should like to find it. The needlework is satisfactory.”

- June 15th Admitted 4 fresh children. School very full.
- June 22nd Very poor attendance this week on account of the haymaking.
- September 3rd Reopened school with very few scholars being a rainy morning. Agnes Parslow commenced her duties as a monitor in place of Emma Hawes.
- September 21st Attendance better but still not good, elder children being out gleaning. Closed school in the afternoon, children remaining at home to attend a public tea.

1878

- February 1st Several children absent, being market day at Wycombe.
- March 29th A holiday was given on Friday in consequence of a deep fall of snow.
- May 1st

H.M. Inspector's report:

“This school has fallen off considerably in point of arithmetic since it was last inspected. The arithmetic is good for nothing and the dictation is exceedingly indifferent. The reading is fair. The influx into the school of several ignorant children has no doubt increased the teacher's difficulties, but this is not much to account for the terrible falling off which is apparent. A deduction in grant of one tenth is made for faults of instruction.”

- May 10th Gave a holiday on Monday afternoon on account of a public tea being held in the village. Annie Janes began work on Thursday as a monitor.
- July 25th Gave a half holiday in the afternoon for the school feast.
- September 13th The school was closed on Tuesday afternoon on account of the choir picnic.
- September 27th Holiday on Monday for the tea held in the village. Half holiday on Thursday for Sunday School tea.
- October 1st The Diocesan Examination report was “very good”.
- October 25th Admitted one child. Desired several children to remain at home till their cough was better. Average 65.
- December 16th Attendance less owing to the severity of the weather.

Lacey Green School - Against all odds

1879

January 31st Attendance for week average 66.

May 30th Half holiday on Monday, most of the children attending a tea held in the village.

June 7th

Received the report of the evening school.

“This little school has done very well”.

Received H.M.I. report of day school.

“The school has improved somewhat during the past year, but the arithmetic is still wretched. The infants are fairly forward.”

Scripture report for 15th July

“The school maintains its former average but cannot be said to have advanced much. Some of the children in the upper division answered well and intelligently. The others were somewhat weak. The repetition work of this school is generally very creditable and reflects credit upon the teacher for painstaking and conscientious work.”

September 23rd Reopened school. Very poor attendance, harvest not being finished. Average 40.

October 24th Average for the week 63.

November 5th The vicar catechised and instructed the school upon the catechism and took a class in reading. Mrs Burgess instructed the girls in needlework.

November 22nd The school was closed on the 20th and 21st as I was unable to attend through illness.

1880

January 5th School reopened. Attendance low owing to the cold weather.

January 30th Admitted Kilburn Bowler and Mary. They had previously been to Speen school.

February 6th The attendance small owing to the cold weather.

April Reopened after Easter. Mr Starr assisted during the morning. Mrs Burgess took needlework. Average low, many children being ill.

April 30th I resign the charge of the school to Miss Fundell.

May 3rd Commenced duties here. The arithmetic and writing appear very weak. The I Standard seem to be particularly backward.

May 11th

H.M. Inspector's Report.

“ The results of the examination are not good. The dictation, both as spelling and handwriting is poor and there are far too many failures in reading and arithmetic. From the infants I could get no answers. The sewing is fair and the children are well behaved.”

May 10th Mr Starr assisted this week, also Mr Everette, Mrs Burgess and the Reverend Burgess.

June 18th The Misses Burgess came to hear the children sing on Friday. The I Standard still very backward. I am now taking them until I see an improvement.

Lacey Green School - Against all odds

July 16th Attendance lower on account of hay-making.

Scripture Report July 13th

“The school maintains a very fair average of Religious Knowledge. The answers in the Upper Division and the writing of the catechism were very good. The lower division very weak and will require working up. The infants were satisfactory.”

Prize: Agnes Parslow.

Commended: Kate Claydon, Eva Rixon, Rosa Stephenson.

July 30th Attendance low on account of outdoor work. Gave a holiday on Wednesday on account of a treat which they attended out of the village.
August 13th Average 36. Low on account of out-door work. Emma Parslow commenced duties as monitor. Break up for harvest holidays.
September 24th Reopened school. Agnes Parslow resigned and Kate Claydon commenced duties as monitor.
October 1st Attendance poor. Average only 45. Gave half holiday on Monday as it was the Sunday school treat.
October 8th Attendance very good considering the wet weather. 1st.standard very dull in learning subtraction.
October 15th 1st standard still very backward. Reverend O. Grace visited. Half holiday given on account of repair being done to the schoolroom.
October 29th A marked improvement in the I Standard. Reverend Everette visited on Friday.
November 5th Attendance very good. Average 55.
November 12th Average 56. Mr Starr visited and assisted on Tuesday. Reverend and Miss Kelly visited on Wednesday morning and Friday afternoon.

week average 60.
July 15th Admitted two children, neither of them know a letter. Attendance not so good on account of haymaking.
July 22nd Average only 49. The children being out in the fields.
August 12th Very poor attendance owing to the harvest being commenced. Closed school for a month's holidays. Average for the week 22.
October 7th The vicar visited on Monday. Gave the children a whole holiday on account of a tea being held in the school room.
October 25th

The Diocesan Inspection October 18th.

“Whilst the lower division was somewhat slow in responding (though able to repeat hymns and private prayers), in the upper division, standard III was very fair and standard IV very good. The intelligence of the younger children seems to want cultivating.”

Prize: Katie Claydon

Commended: Katie Claydon, Emma Parslow, Rose Stevenson.

December 23rd Broke up at noon for Christmas.

1882

January 13th Several absent, away with bad colds. Attendance poor owing to sickness.
February 24th Several still away ill. I Arthur Floyd take charge of this school owing to the illness of the mistress.
March 2nd I, M.A. Fundell again take charge of the school.
March 31st The attendance lower again this week, several being away with bad colds.
April 27th Gave standards I,II,III,IV,and V an examination on Tuesday. The results were very good. Two children in the 1st standard weak, neither being able to learn with the same quickness as the others.
May 4th The Government examination took place 60 present. Gave the children the remainder of the week off and the next.
May 19th Re-opened school with a very good attendance. Admitted five children. The vicar visited on Tuesday and Friday. Arranged the children in their standards. Began coming in at 2 p.m. during the summer months instead of 1.30 p.m.
May 25th

H.M. Inspector's Report.

“This school has improved most satisfactorily under M.A. Fundell in every respect, and bids fair to succeed in the future under her careful management.”

June 4th Attendance very poor owing to several tea-meetings being held in the neighbourhood. Admitted one little boy. Gave Emma Parslow a half holiday on Thursday.
June 9th Attendance low, several children away ill with scarlatina.
June 16th Attendance still low, several children ill.
June 23rd Attendance very low. Children not well enough to return.
June 30th The school obliged to be closed from Tuesday on account of the mistress being ill.
July 7th The vicar visited Monday, Tuesday and Friday. Katie Claydon absent Monday and Tuesday. Attendance low. Average for the week 30.
August 4th Gave half holiday Monday there being a tea in the village, attendance poor. Break up for harvest holidays, Viz.5 weeks.

Lacey Green School - Against all odds

- September 15th Re-opened with 25 children, a slight improvement on Tuesday but the average for the week is only 23. Admitted one little girl, three years old. The harvest not being finished the children are in the fields helping their parents.
- September 29th Two half holidays were given on account of a tea held in the village on Monday and the Sunday School treat was given on Wednesday. Attendance not very good. Scarlatina has broken out in one family again. The vicar visited on Monday, Tuesday and Wednesday mornings.
- October 6th Half holiday was given on Monday as it was the harvest festival. The vicar visited on Monday, Tuesday and Friday mornings. Several children returned that have been absent since weeks before the holidays. I resign the charge of this school.
- October 9th I, Annie Elizabeth Newberry, commenced duties in Lacey Green Church of England School. Several children absent. Number present 54.
- October 10th Attendance better, 64 present in a.m. Boys very fidgety and idle.
- October 12th Examined IInd. standard in subtraction. Found them very dull at subtraction.
- October 20th Diocesan inspection on Tuesday. Several children absent on Wednesday afternoon. Punished Walter Rixon for disobedience.
- October 23rd Tuesday holiday given on account of bad weather.
- October 27th Several children absent with measles. Mr Kelly visited several times. Examined the standards. Found them very good at reading and dictation but rather backward in arithmetic. This is owing partly to their ignorance of their tables. Ernest Stevens rather disobedient.
- October 30th Mr Kelly visited on Monday. All the boys except one absent in the infant class with measles. Average attendance 43. Sent W. Stevenson home to have his hair brushed and his mother kept him home the rest of the day. Several children absent on Friday afternoon. Great improvement needed in the 1st. standard.
- November 6th Several children absent in the morning. Punished 1st class boy for disobedience. Examined the standards. Standards I and II very weak in arithmetic. Hetty White very careless with her dictation.
- November 17th Several children absent on Thursday owing to the bad weather.
- November 20th Punished the boys for being late.
- November 24th Sent F. Stevenson home to enquire the reason for Willie's absence on Friday and her mother kept her home the remainder of the day.
- December 1st Examined I Standard. Found them improved in arithmetic. On Thursday afternoon examined 1st class. Girls very careless at sums. All did well at dictation

Report from the Diocesan Inspector

“Considering the changes that have so recently taken place in the teaching staff the children passed as good an examination as might be expected. Some answering very well, whilst others showed little knowledge of religious subjects. The infant and lower standards will require attention. Already under their new mistress traces of improvement in discipline and general advance are observable and probably the school has a bright future before it.”

Prize: Alice Parslow.

- December 8th Several children absent on Friday owing to the snow.
- December 15th Willie Eggleton admitted. Six children absent owing to scarlet fever. Attendance bad on Friday on account of the snow. I class girls much improved in sums.
- December 22nd Scarlet fever has broken out in two fresh families. Closed the school on Thursday for Christmas holidays.

Lacey Green School - Against all odds

1883

- January 8th Commenced duties after a fortnight's holiday.
- January 12th Children still absent with scarlet fever. Admitted George Lovett. Kate Claydon still absent through illness. Infants very fidgety.
- January 19th Several children still absent with scarletina. 1st class boy punished for disobedience.
- January 22nd Katie Claydon still absent. Punished E. Stevens, Cecil Dell, Michael Causey and Ivo Janes for not coming in at the proper time. They went playing at some game round the fields and so got late.
- January 29th Katie Claydon still absent.
- February 9th Katie Claydon still absent. Improvement in the 1st class both in sums and writing.
- February 12th Average 60. Cecil Dell very disobedient. M. Causey punished for obstinacy. E. Stevens reprovved for temper. Average attendance 62.
- March 2nd Sent W. Eggleton home for school pence. Punished 1st.class boy for disobedience.
- March 9th Sent Eggletons back for their school fees. Both monitresses absent on Tuesday to attend their confirmation. Punished H Rixon for disobedience.
- March 16th Emma Parslow absent the greater part of the week on account of the death of her father. Kept I class boys in from play for talking.
- April 13th Katie Claydon left to go to Loosley Row school and Alice White commenced duties as monitress. Emma Parslow resigned and Alice Parslow took her place. Several children absent on Wednesday to go to Risborough races. I class boys very tiresome on Thursday, especially Walter Rixon and Michael Causey.
- April 23rd Taught long division to IV standard. Multiplication to standard II. Several of the 1st class boys kept in for being late.

H.M. Inspector's Report

“The school is likely to do well under the new teacher. The past year has been a broken one owing to epidemics and this has told on the arithmetic. The reading and dictation are very fair. The infants appear to be satisfactorily taught and sewing receives its share of attention.”

- April 30th Half holiday on account of a tea held in the village.
- May 4th Gave the 1st class leave till 10 o'clock to go garlanding on Tuesday. Albert Anderson punished for disobedience.
- May 11th Cecil Dell and Michael Causey punished for stubbornness. Average attendance 70.
- June 1st Half holiday given on Thursday on account of a tea given to the Temperance children on Whiteleaf Cross. Cecil Dell behaved much better this week.
- June 8th Fourth standard worked their sums more carefully. Several boys punished for being late.
- June 14th Michael Causey and Albert Anderson punished for being late. Attendance good.
- June 22nd Improvement in the writing of I class. Examined standard 1 in arithmetic. Found them very backward. Average attendance for the week 72.
- June 29th Several of the I class boys absent haymaking. Gave A. Eggleton the cane for disobedience. Ernest Hickman and Joe Stevens played truant after play on Friday. Michael Causey did his writing very nicely in his copy book. Average attendance 65.
- July 6th Some I class boys still absent at work. II class improved in arithmetic.
- July 13th Albert Anderson, Alfred Ginger, Horace Williams and Michael Causey had to be punished for obstinacy.
- July 20th Michael Causey very disobedient on Thursday morning and had to be punished for that and for temper.
- July 27th 1st.class boy sent out for swearing. Mrs Forrest visited on Wednesday. George Lovett played truant Thursday afternoon. M. Causey behaved very well the rest of the week.

Lacey Green School - Against all odds

- August 3rd Half holiday on Monday owing to tea in the village.
- September 21st Commenced duties after five weeks holiday. Many children still in the harvest field. Average for the week only 41. Examined infants in reading. Gone back very much during the holidays. Albert Anderson punished for eating after he was told not to. Michael Causey kept in to do his sums.
- October 12th Mr Bell visited on Tuesday. The names of several boys who are at work instead of school have been sent to him several times but they are still at work. Albert Anderson punished for swearing. George Lovett only attended school one day during the week. Miss Stanley and Master Forrest visited during the week.
- October 19th Albert Anderson played the truant on Monday. Cecil Dell very stubborn and disobedient. Attendance very good.
- November 2nd II class slightly improved in sums. I standard very backward. The vicar visited several times during the week. Two I class boys punished for disobedience. Infants very fidgety. George Lovett absent the whole of the week.
- November 9th Gave the infants a reading lesson on Wednesday and Friday. Found them very much improved. Lucy Lane very irregular.
- November 16th The vicar visited several times this week. Examined II Standard. They are improved in sums. Mrs Forrest visited on Friday morning. Gave the infants a reading lesson, also one in counting. IV standard rather careless with their sums. Gave 3rd and IV standards an intelligence lesson.
- November 23rd Gave infants a counting lesson. Mr Forrest and Mr Poulton visited on Wednesday. Snow on Friday kept several of the children away. Girls did sewing on Tuesday afternoon instead of lessons.
- November 30th Gave the infants a reading lesson on Monday. Alice Parslow absent on Thursday afternoon through illness. George Lovett attended better. Cecil Dell still absent.

Diocesan's Inspector's Report

"This school is steadily advancing. The tone and discipline are improved. The writing and dictation also. The religious knowledge fair, but some additional attention might be paid to the subject of private prayer. The improving character of this somewhat large and difficult school reflects credit on the mistress."

Prize: Alice White.

- December 7th The vicar visited several times during the week. Mrs Forrest on Friday. Examined I Standard in sums and dictation. Found them very backward. Gave the infants a writing lesson. IV standard improved in sums. Obligated to close school on account of illness of the mistress.

1884

- January 11th Opened school after three weeks holiday. Attendance very good. The vicar visited several times. Commenced paper work in 1st.class twice a week.
- February 1st Several girls absent beading.
- February 11th Several girls absent beading. Infants kept after time for bad behaviour at singing lesson. Boys kept in from play for being five minutes late.
- March 7th 1st class girls still irregular through beading. Several absent on account of bad weather. Albert Anderson very disobedient.
- May 2nd

Lacey Green School - Against all odds

H.M.I. Report.

“Mixed School. The school is doing as well as it’s circumstances will permit. Miss Newbury has far too much to do. The average attendance is nearly 65 yet she has no assistance given to her in her work I hope that substantial help will at once be provided.

Infants Class. Two sets of suitable readers are required for the older children of the infants class. The supply of books for 1st.standard is incomplete. An assistant teacher should be engaged at once, or a pupil teacher transferred from some other school.”

- May 9th Attendance very good the most part of the week. Several infants admitted. Katie Claydon began teaching. Mr Kelly visited several times. Mr Bell visited on Tuesday, Mr Painter on Friday. Several children unpunctual this week.
- May 16th Mr Forrest visited on Tuesday. Attendance very good, average for the week 69. Third class improved in reading.
- May 23rd Michael Causey, Albert Anderson, Joe Hickman and John Lane punished for playing at marbles and so getting late.
- May 30th Several were absent on Monday to attend a tea at Loosley Row. Examined infants. Found them improving.
- June 27th Attendance poor. Some of the boys absent haymaking and little ones kept away to carry dinner to the hayfield.
- July 18th Half holiday on Tuesday on account of a tea held in the village.
- September 26th Examined the 1st.standard. Found them very backward in arithmetic; spelling and reading very fair.
- October 17th The vicar visited several times during the week. Examined I Standard and infants. Great improvement still needed, especially in arithmetic.
- November 7th

Diocesan Inspector’s Report.

“The religious teaching has been carefully attended to and a good proportion of the children in the standards answered satisfactorily. The infants and standard I did fairly well but they should be taught at least the Creed and all the Commandments and have some elementary knowledge of their meaning and teaching. The written work was neat and accurate.”

- November 21st Half holiday on Tuesday on account of the school treat.
- November 28th Sent Agnes Rixon back for her school pence. Albert Anderson punished for disobedience and for swearing. 1st class boys very tiresome this week.
- December 8th The vicar visited several times. Mr Forrest on Thursday. Attendance very bad the beginning of the week on account of the snowy weather. Fourth standard improved in arithmetic.

1885

- January 16th Commenced duties after three weeks holiday. Attendance very fair. The vicar visited several times. Half holiday on Thursday on account of children’s concert.
- January 23rd Attendance poor. So many children away with colds. First class boys punished for sliding and so getting late to school.
- February 6th Closed at four o’clock. Registers closed at two o’clock. Attendance better. List of absentees given to the vicar.
- March 20th Punished two girls for being careless with their spelling.
- March 30th By the desire of the vicar the scripture lesson is transferred during Holy week to 11:15 to 12 o’clock, giving 9 to 11 - 15 for secular instruction and registration.
- April 17th Hetty White, Alfred Lodge and Annie Eggleton punished for deceitfulness. Took the infants on Thursday. Much improved.

Lacey Green School - Against all odds

- April 24th I resign charge of this school.
- May 4th This day, I, Isabell Garnett, commenced duty as mistress of L. G. School. Only 43 children were present in the morning. Reverend W. J. Kelly called and advised giving a holiday in the afternoon on account of a public tea in the village to which most of the children go.
- May 8th Attendance has not been good this week. Arranged children in new standards. The Reverend W. J. Kelly visited Tuesday and Thursday. The upper standards are very noisy and idle.
- May 15th On Thursday Walter Rixon absolutely refused to do what he was told and was therefore sent out of school. He returned on Friday and behaved well.
- May 31st A half holiday was given on Monday afternoon on account of an anniversary. Kept several boys in at playtime for being late.
- June 5th The infants were allowed to go into the playground during part of three afternoons on account of the heat.
- June 12th Owen Lane after being absent for six weeks came to school on Monday and was very troublesome. On Wednesday he was punished for disobedience and stayed away the rest of the week.
- June 26

H.M.I. Report.

“The first standard is a weak one, but the other classes have come out fairly well in examination. The quality of the work is fair. The order is satisfactory. The infants write fairly and have a fairly moderate notion of numbers, but they are indifferent readers. The new book supplied is not a suitable one. They must have, for the first class, two sets of books containing 40 pages each of text, exclusive of pictures. Sewing must be taught upon proper principles and suitable needles and thimbles be provided, and the children should be drilled in their use. I shall expect more from this division next year. M.Claydon - Failure.

- July 10th Alice White mistress absent on Friday owing to illness of two little sisters.
- July 17th Alice White absent all the week. Some of the children have measles. Punished two boys for deceitfulness.
- October 2nd Holiday was given Monday on account of a fair and bazaar in the village. Mr Bell called on Tuesday and Mr Painter on Wednesday. I resign charge of this school.
- October 14th Took charge of this school today. The staff is now as follows:
John Widdicombe Cert. Master, second class
Catherine M. Claydon P. Teacher first year
- October 17th The schoolroom is very noisy and to prevent interruption from noise from the classrooms the managers have decided to put a door to it.
- October 23rd The door to the classroom has been erected and is of considerable advantage to both rooms. The attendance of the children at school is bad.
- November 6th The rickety stools in the schoolroom are the source of a great deal of unnecessary noise.
- November 13th The children are becoming much quieter than formerly.
- December 4th This classroom was used for the purpose of electing a Member of Parliament for mid Buckinghamshire on Tuesday and therefore there was holiday.
- December 11th The attendance has been very poor. Many of the children out of reach of the law put in an appearance just when they please. Such, are they, who have passed the standard of exemption, chiefly girls.

1886

- January 22nd Snow storms prevented many children's attendance.

Lacey Green School - Against all odds

- January 29th The weather still very rough and stormy and consequently a very bad week's attendance.
- February 5th The school is still suffering from very irregular attendance. Mr Painter called yesterday, to know if the children from his district were at school. They happened to have come in for the first time since Christmas, on that very day. The children whose attendance is regular are doing very well.
- February 19th The girl's attendance at needlework is remarkable for it's low number, and the daily attendance is exceedingly bad throughout. I have again sent a long list of names to the attendance officer.
- March 5th No school on Monday on account of a snow storm.
- April 22nd Re-arranged the children in suitable standards for the current year's work. Closed school for Easter.

H.M.I. Report.

“ Mr Widdicombe has had only 6 months work with this school. So far he has been unable to produce any good results, but hope that a clear year will enable him to do so. Meanwhile special attention must be paid to the spelling and the arithmetic, and the first standard should be much more carefully taught. The order, too, is a very weak point. The children are given to whispering and prompting in the teeth of repeated warnings on the part of the examiner. The very best teaching will be thrown away unless perfect order is maintained. The infants form a promising little class and the sewing is improved.

- May 28th The attendance has considerably improved this week. As many as eighty were present on different occasions and the work is progressing.
- July 2nd Kate Claydon's time expires and she resigns today. I.J. Widdicombe takes her place
- July 8th This Thursday concludes the schoolwork, there being an election and this schoolroom having to be used as a polling station on the 9th.
- July 16th The attendance for the week now ending is 64. This is an improvement on the past. Though there is but a small number who have made full time and with 96 names on the registers there is still room for greater improvement in this respect.
- July 23rd The attendance in the early part of the week was good, but dwindled down from 77 to 48 in the latter part.
- August 6th Children are dropping off. Harvest has commenced in the neighbourhood.
- August 13th Closed school for the harvest holidays.
- September 20th Re-opened school after 5 weeks vacation. Sunday school treat on Wednesday afternoon. Many children absent on Monday afternoon on account of the Dissenters' tea drinking.
- October 7th The children are progressing very fairly with few exceptions.
- October 15th The upper standard children attend very badly and as the bye-laws exempt children from compulsory attendance after passing the third standard it is almost impossible to get them up to the requirements of the 4th by the meagre attendances they voluntarily make. Children having passed standard 2, being ten years of age, are exempt half time.
- November 19th Mr Bell (attendance officer) called and decided to summon John Williams, the father of Thomas Williams, a boy who had gone to work before passing standard 2. Nothing was said about the employer (Mr Anderson) being summoned.
- December 3rd Steps are being taken for providing a stove to heat the classroom, which at present is a very cold place for little children.

1887

- January 14th The weather has necessitated an extra week's vacation. The children not being able to come through the snow.
- January 21st The attendance has been better this week, but not at all such as to enable the teachers to do themselves or the school credit.
- January 28th A short school during the greater part of the week. Average for the last three weeks about 50.

Lacey Green School - Against all odds

- February 11th It is not possible to prepare children for an examination who attend school fifteen weeks only.
- February 25th Though new bye-laws are said to be in force, I have failed after all endeavours, to get the attendance of the girls in the IV standard anything like regular.
- March 4th Received, filled up and returned "form 8". The whooping cough is prevalent in the village.
- March 25th The children have done their work satisfactorily during the week. There are a few exceptions and these will never do much.
- March 31st Thus ends the school year with very little improvement in the attendance since the commencement.
- April 8th The children have done well during the week and seem as anxious to pass their standards as their teachers.
- April 22nd With the exception of two or three children in standard 4 which are rather deficient in mental capacity, the children are very well able to do their work.
- May 23rd Mr Bell took particulars respecting the attendance of several children with the intention of summoning the parents for their irregularity

H.M.I. Report.

"The percentage of passes has risen from 55 to 69, not a very high standard, but still a considerable improvement. There are a good many weak places, but the work is not without promise and I hope next year to find a further advance. Complaints are made about the irregularity of the attendance which must of course, if unchecked, be very prejudicial to the welfare of the school. I hope that the managers will not omit to represent specific cases, calling for the notice of the education department. I recommend a merit grant as an encouragement. I must add that the infants must receive more attention than is at present given to them."

The school staff consists of:-

John Widdicombe. Cert. Teacher 2nd class
Isothe J Widdicombe Assistant.

- June 3rd The grant for the year ended 31st March is £37-15-6.. The average attendance of girls being only 27 the needlework grant was small.
- June 10th Three parents have been summoned for the irregular attendance of their children. This has resulted in a better attendance of the others.
- June 24th There have been holidays two days this week, viz. Monday and Tuesday. This was the cause of a very poor school in the latter part of the week. Though no fee was charged for the "Jubilee week"
- July 1st The results of the three summonses were a fine of 1/6d on each of the three parties. The attendance of two of them is little or no better.
- July 15th A good weeks attendance is often ruined by a very short (small) school on Fridays, being Wycombe market days.
- October 14th Cold mornings have necessitated the use of the stove for the early part of the day during the past week.
- October 28th The children require a deal of driving, which of course, they get. A class subject would afford a little variety, but would probably be very unprofitable from a manager's point of view.
- November 4th Wet weather has reduced the attendance this week, particularly in the infant class.
- November 11th The dark weather and the dark room has prevented good work several afternoons.
- November 18th The attendance has not been so good this week, although I have continually been submitting the names of irregular attendants.

Lacey Green School - Against all odds

Diocesan Inspector's Report

“The religious knowledge shown in the examination was on the whole very fair. In each class some of the children did well, but the answering was not quite sufficiently general. The work committed to memory was correctly repeated. The written work was in many instances marred by inaccuracy though the writing itself was neat. Great improvement has taken place in the general character and condition of religious knowledge since my last visit.”

- November 25th Commenced to open school at 9-15 which it is intended shall continue to be done during the winter. We dismiss at 12-15 and reassemble at 1-30.
- December 2nd Received for use in school, a harmonium. The work of the school is progressing very satisfactorily so far as the bad attendance will admit.
- December 9th The bad attendance of the last few weeks can be accounted for by the Slough children and a few Speen children having scarletina.
- December 16th The use of the harmonium which has been allowed to be introduced into the schoolroom will be a very great help in teaching singing.
- December 23rd Closed school after the morning session for the Christmas holidays.

1888

- January 20th Mrs Adams complained of her boy being worked too hard in school, which is said by her to give no end of trouble at night.
- February 3rd A list of irregulars and non-attendants has been sent in. The Slough children attend badly.
- February 20th The school has been closed since Monday evening last (the 13th) on account of snowstorms. This afternoon it is very little better, but school has recommenced with a small number of children.
- March 2nd Snow continues in such quantities as to prevent a great number of children attending. The classroom is so miserably cold and damp that it is almost useless during the winter months. The school, in spite of all the difficulties attendant on a country school, is doing well in the majority of cases.
- March 9th The progress of the school is satisfactory to the teachers. The average is greatly reduced during the last few weeks of snowy weather.
- March 16th The weather continues, though a few intervening days of moderate weather have enabled most of the children to present themselves during the week.
- March 23rd The attendance has declined in the latter part of the week, the weather getting worse and worse.
- March 29th This day closes the school year. A very good attendance today. The weather much improved. Received two dozen new slates and a variety of other useful things. During the last few weeks many children have left the school from various causes. Some on account of the weather, principally infants. Many, having passed their exams in the IV standard, have been supplied with certificates to that effect. This standard exempts them from further compulsory attendance, and many are leaving.

H.M.I. Report

“The school has come out creditably in examinations, the number of passes and the quality of the work being infinitely better than they have been for some years. The prospects of the school appear to me to be particularly good.”

August 17 th	The children are dropping off for work, the harvest having begun in the neighbourhood. The average for the week is 57.	
August 24 th	Closed school this morning for the harvest holidays.	
September 24 th	Reopened school. There are not sufficient numbers of children to continue it.	
October 5 th	The harvest is not yet completed and therefore many of the children have not yet returned to school.	
October 26 th	The weather being very cold during the early part of the week, fires have become necessary for an hour or two in the mornings. Attendance average 71.	
November 23 rd	The school is doing very well in the three R's. Spelling is a very hard part of the writing subject, and in some cases it seems almost hopeless work	
November 30 th	The afternoons of this week have been so dark that it has been difficult to get some of the lessons properly done. It would be much better for all concerned if we had larger windows and more of them.	
December 7 th	The attendance continues good in spite of the very wet weather.	

1889

March 29 th	Average for the week 73. End of the school year.	
April 9 th	Tuesday. Good attendance although a wet miserable day. Ellen Williams returned to school after several weeks illness (bronchitis). Had to caution Alfred Parslow for making a noise and shouting outside the classroom window to girls during sewing afternoon.	
April 17 th	Tuesday, cautioned the children not to damage the iron fence which is now completed round the boy's playground. Stormy day. Small attendance.	
May 1 st	Small attendance owing to the children going garlanding. Half holiday in afternoon.	
May 2 nd	Thursday Mr Painter called in and enquired as to the attendance of Small Dean and Slough children.	
May 3 rd	The policeman came and cautioned the school children respecting damaging Mr Clark's wall at Portobello Cottages.	
May 6 th	Admitted three infants. Lily Eggleton, Susie Rixon and W. Hickman.	
May 9 th	Several of the Slough children were late for school this morning.	
May 13 th	Monday, stormy morning. Several children at home with the mumps. Gave half holiday in afternoon owing to the tea party held at the Chapel in the village.	
May 16 th	Thursday, small attendance owing to the children being at home poorly with mumps. Monday admitted one infant girl, Rose Williams.	
May 21 st	Tuesday the highest number present since I had charge of the school. Morning 83, afternoon 82. I resign charge of this school.

H.M.I. Report.

“Mixed school. The upper school has broken down in examination, especially in reading and spelling. I am afraid that the late master cannot have displayed much energy or interest in his work during the last few months of his career here. It will take all Mr Worthing’s time to make the school efficient, but I hope that he will be successful.

Infants class. The infants division is a much larger one than it was last year. The classroom (12 feet square) is not by any means large enough for the numbers at present attending, and it will have to be enlarged unless the circumstances alter conditions of the class. In point of attainments it is fair. Plans of any new building or alterations that may be proposed drawn in accordance with the enclosed rules must be submitted to the Department for approval before the work is begun. Should H.M. Inspector report next year that the accommodation provided for the infants is such that they cannot be taught suitably to their age, my Lords may be unable to make any grant on their account”.

John H. Worthing 2nd class cert. teacher.
S.A. Worthing is recognised under Article 84.

May 27th Monday small number present. Stormy morning. Attendance better. 81 present in afternoon. Tuesday attendance better.

June 3rd Monday small attendance owing to mumps and a tea party held at the Row. Admitted one infant Rosa Rixon.

June 18th Scanty attendance. Haymaking has commenced.

June 24th Standard 4 compound division. John Thorne standard 5 is still at home unwell and has been for three weeks. Thos. Saunders, John Claydon, Ivor Janes returned to school to day. Gave the mistress leave to go to Windsor Agricultural Show. Several children absent on various paltry excuses. Admitted two little boys.

July 8th Several absent. Haymaking has started in the district.

July 15th Monday, Speen children absent owing to a tea party being held in the village. Many children absent during the week. Fruit gathering is the general excuse. (This district was famous for cherries).

July 22nd Monday, small attendance. Tea parties at Loosley Row and Risborough which have taken several children away.

July 31st Attendance small, several children gone harvesting. Gave out attendance cards to each child to take home to be initialled by their parents.

August 5th Heavy storm fell about nine o’clock which prevented several children from attending. Admitted two children, Freda and Becky Redfern (out-boarders)

August 6th Still very small attendance. Several children out helping with the harvest.

August 8th Thursday, closed for harvest vacation, five weeks.

September 16th Commenced school. Harvest is not quite finished.

September 24th Half holiday in afternoon on account of tea party at Mrs Bousefield’s (Loosley House). Being a wet afternoon the party did not take place. The Sunday School children went the following afternoon.

September 30th Several children returned to school who have not been since vacation.

October 7th Mr and Mrs Worthing having given up charge of this school on the 4th inst. Mr F. Henton commenced his duties as master this morning.

October 11th Examined school in all subjects. I found the second standard and part of the fourth to be the weakest.

October 15th Poor attendance, there being a tea party in the village.

October 17th Reverend W. Kelly called and took the upper school in scripture till 9-50. Average for the week 70.

October 25th Reverend W. Kelly has been in every morning this week to take the upper school in scripture.

October 28th Mrs Henton began duties today, as infant mistress. During her absence her place has been filled by Miss Claydon, formerly Pupil

Lacey Green School - Against all odds

- Teacher in this school.
- November 8th Inclement weather this week. Admitted 1 child into infants school, Louise Saunders. Average for week 60.
- November 11th I have given each child in the school a card shewing their attendances for the week. I hope the offer of small rewards will be an incentive to more regular attendance than heretofore.
- November 18th John Baker returned to school after an absence of 2 weeks. These children (John and Minnie Baker) attend very indifferently.
- November 24th Several children away from school, two reported cases of scarletina.
- November 25th Dr. Wollerton, medical officer of health, visited the school and took of list of the absentees. I went round with him to the several houses. He found that two cases only had the fever.
- November 29th Av. for week 53. So many away with fever and colds.
- December 11th The medical sanitary office advised the closing of the school, the epidemic of scarlet fever appearing to increase. The children were accordingly dismissed this morning till further notice.

1890

- January 10th This being the first week of opening school after three weeks. Several children are still away owing to the fever being in some families.
- January 17th Still several children away. Kept 4 boys in for inattention during arithmetic lesson.
- February 5th The builder has this day begun the enlargement of the infant school, all the children consequently have to remain in the large room.
- February 14th Attendance for the week 80. Very good indeed. The infant room is now finished we hope to use it next week.
- February 28th Average for week 84.
- March 5th Reminded some of the children about arrears in school pence. Attendance very good. 89 present. Examined standards 3 and upwards in 3 R's. The papers on the whole were neatly and satisfactorily done. L. Cheshire and M. Eggleton require some extra work to bring them on an equality with the others, they having been so irregular in their attendance.
- March 7th The weather has been very fine all the week consequently the good attendance has been fully maintained, average for week 85.
- March 10th Had to caution children respecting the out offices. Commenced new copy books. Paying more attention to hand writing.
- March 25th Mr Bell school attendance officer, visited and paid the fees (for guardians) of E. and L. Bowler.
- March 28th Received fees of children paid for by Mr Forrest. Average for week 85 present.
- April 14th Received duplicate schedule today. Find that the children passed 91 per cent in 3 R's. Moved children up into new standards and commenced new work.
- April 21st Children warned to keep away from the pillar box as someone foolishly put a button into the key-hole yesterday.
- May 1st Today being May day, I gave the customary holiday for the children to go round with their May garlands.
- May 12th Very poor attendance this morning. Several children away preparing for the Chapel anniversary tea. Gave half holiday in the afternoon.
- May 17th

Lacey Green School - Against all odds

HMI. Report. Mixed school. The school has improved most creditably under Mr Henton and bids fair to deserve a place amongst the excellent village schools of the district. I should now like to see better reading from the 1st and II Standards and stronger arithmetic from the older children of the school. The discipline too is not yet perfect. The directress of needlework reports that the sewing is good. A note is added as follows - "Single thread not penelope canvas must be used for teaching the darning and herringbone stitches.

Infants class. Mrs Henton has been most decidedly successful with the infants division. The enlarged classroom is a valuable addition to the school premises. I hope that a stove, desks and other necessary furniture will soon be provided. The directress of needlework reports that the sewing is fair. I am directed to state that the classroom, as enlarged, will accommodate 30 children".

May 25th Have taught standards 4 reduction of avoidupois weight with satisfactory results. Average continues good, 81.

June 13th Mrs Kelly (vicars wife) visited. Gave a photo to each of the children who passed at the last exam. Average for the week 88 present.

June 19th Through the present fine weather the excellent average of 88 has been obtained.

June 20th A very wet morning. As there were only 14 children present I sent them home, acting on the advice of the managers. Two p.m. weather cleared up so children enabled to come to school. 53 present.

July 5th Children continue to make satisfactory progress in geography, with their new text books. I have asked for a globe to illustrate lessons in standard II.

July 11th Weather very wet. Attendance not quite so good.

July 14th Very good attendance. Several boys being again in attendance from Speen. Girls doing well with needlework and knitting.

July 18th Received a medical cert. for Lucy Cheshire, who is unable to attend school. Submitted some specimen drawing books to Vicar for approval.

July 28th There being a tea drinking in the Chapel this afternoon and several children asked permission to stay at home, I gave half holiday.

July 29th Attendance very good this afternoon. 87 present.

August 5th This being Bank Holiday. The attendance is very poor in the upper school, 12 being present, but good in the infants. On advice of the vicar I gave holiday.

August 8th As the harvest has commenced generally in the neighbourhood. The school breaks up this afternoon for 5 weeks.

September 15th Reopened school today after the holidays. Although harvest is finished several children are away.

September 19th Sent the names of children who have not returned to school to Mr Bell.

October 8th Several children away. Have sent to parents for reason of absence. Albert Rixon (from Slough), has not put in an appearance at all this week as yet.

October 10th Sent a list of the irregulars to Mr Bell and have received notice that their names will be placed before the school attendance committee.

October 14th The school attendance committee have decided to take proceedings against the parents of A. Lovatt and O. Stevens for irregular attendance.

October 20th As the stoves were put up today, we were obliged to give holidays. Several children in infant school with whooping cough.

October 31st Attendance much better this week. Lucy Currell has not however been since holidays. I have sent to Mr Painter about it. Admitted 4 new scholars during the week - Edith Cole, Bessie Griffin, John King (boarding out children) and Roland Smith.

November 7th Attendance rather poor today. The children from Speen and Slough being absent.

November 10th Attendance good today, impressed on children the importance of coming tidy and neat to school

November 25th Archie Pearce is most irregular. He is at home considerably more than half his time. Having passed the IV standard he is exempt from the legal obligation to attend school. Unless his parents intend him to come more regularly, his name will be removed from the registers.

Oxford Diocesan Report

“The religious instruction has been painstaking and the children throughout the school showed a creditable knowledge of their work. The answering was, on the whole, intelligent and very fairly general. The written work was as a rule accurate and very neatly done. The repetition of catechism and Holy Scripture was very good. The infants have been suitably taught and answered well”.

Diocesan prize	Alfred Ridgeley.
Commended	W.M. Cartwright, Lucy Currell, Anne Thorne, Eliza Lacey, Bessie Redfern, Fred Rixon, Fred Redfern, Owen Stevens, Wm. Bowler, Geo. Timms, Clara Williams, Rose Saunders, Ellen Williams, Lily Rixon, Ivan Lane.

November 28th The new arrangement of desks, dividing the school into two sections answers admirably.
December 15th Weather very cold indeed. Snow prevents the children attending who live at a distance.
December 19th On account of the continual inclemency of weather and with it the consequent bad attendance, acting on the advice of the vicar, I closed for Christmas vacation.

1891

January 14th Joseph Clark and Alfred Darvill, being naturally dull children, I thought it advisable to retain them another year in the same standard as last. With this in view I have consulted the parents of both and they entirely concur and think it will be to the benefit of the children.
January 26th The paint on the walls has greatly improved and added to the comfort of the room. A new blank map of England has been procured which is found to be very useful in geography lessons. The two new desks have come and are a great boon.
February 10th This being Shrove Tuesday I gave half holiday and took all the children for a nice walk.
February 10th Speen boys away on account of a treat at the Chapel.
February 19th Impressed upon the children the importance of coming punctually to school.
February 23rd A “what-not” has been provided for the school for holding slates and this will greatly facilitate the attempt to keep the room tidy.
March 5th Sewing will be taken this afternoon instead of Friday in order that I may fill in the schedule for the night school which only arrived this morning.
March 9th Poor attendance on account of inclement weather. No school today, the roads being quite impassable.
March 11th No children today, on account of a heavy snow storm.
March 13th Attendance somewhat better. 47 present. A. Rixon, R. Eggleton and B. Redfern lost their attendance marks for being late.
March 23rd I have frequently to complain of the absence of boys in the IVth standard. O. Stevens, James Rixon and Fred Rixon are the worst instances. The parents seem to be totally indifferent to the children’s welfare.
April 18th As this was a very fine afternoon and I had promised the children a holiday I took them all for a nice walk.
May 29th Attendance poor on account of stormy weather.
June 1st Attendance poor this afternoon on account of there being a tea at Row Chapel.
June 4th Very wet this morning. As only 6 children turned up the children were sent home again.
June 8th John Lovett got his feet wet this afternoon playing at the pond. I had to send his sister home with him.
June 22nd Several of the girls got wet in coming to school. I have sent them home to save their clothes. Weather very wet. Attendance poor.
July 13th Joseph Clark, Alfred Hickman, John Rixon, Horace West, Owen Adams, Wm. Clarke broke one of the schoolroom windows during the

	dinner time. I have given notice for them to pay for it between them.
July 15 th	Poor attendance this morning on account of a "Primrose League" demonstration to be held in the village.
July 27 th	Gave holiday today as a flower show was in the village. (This flower show and cricket match became a tragedy when three men were killed and three injured when lightning struck a cherry tree under which they were sheltering.
July 28 th	Mrs Henton absent today having received a telegram stating that her mother (who resides in Staffordshire) was dangerously ill.
July 30 th	Gave half holiday this afternoon as I was invited to attend the funeral of Mr John Eggleton. (Killed at the flower show)
August 3 rd	Gave holiday for children to attend a tea party it being Bank Holiday.
August 10 th	

H.M.I.Report

"Mixed School. The children have come out well on work of very fair quality, but as regards quality, increased fluency and intelligence in the reading, and better spelling in dictation will be looked for before it can be called really good. In class subjects, though classes have not gone beyond the work required of the third standard, no mark has at present been made worth recording. Needlework has been well taught. The order is still a weak point.

The infants class is doing well on the whole, but the answering on numbers ought to be better. Occupations have been taught and object lessons have been given, and the girls sew nicely. A grant has been recommended for the boys' drawing with hesitation."

September 25 th	Attendance still very poor, many children being away in the fields, the harvest this year being unusually late.
October 19 th	The weather continues still very wet. This morning only 17 present in the upper school and 11 infants. Registers not marked.
November 30 th	Mr Henton resigned charge of the school on the 20 th inst.
November 30 th	Mr and Mrs Croucher took charge and commenced duty this day.
November 30 th	Examined school. Found the children very backward. Very little of the next Government examinations work is known.
December 4 th	The master has given most of his time this week to Standard IV. None of the children know any geography and very few have been taught grammar.

1892

January 4 th	School reopened.
January 8 th	School closed owing to the severe weather.
January 11 th	School again closed on account of the snow.
January 13 th	Very bad attendance still on account of the snow. Only 1 infant present, consequently the school was dismissed.
January 14 th	Only 39 present owing to the inclement weather and sickness.
January 18 th	Only half the children present. The rapid spread of influenza being the cause.
February 5 th	The mistress was absent on Thursday and Friday through sickness. Miss Claydon has been engaged to take her place for 4 weeks.
February 19 th	Most of the infants away owing to bad weather.
March 7 th	Master resumed duties after an absence of two weeks through congestion of the lungs. Mistress also started work today.
March 11 th	Heavy snowstorms this week and very cold.
April 11 th	The master has been giving paperwork to the standards III and IV for the past fortnight, consequently there have been areas of improvement in neatness. He thinks more paper work should be given.
May 2 nd	Agnes Claydon appointed in Daisy Dell's place.

Lacey Green School - Against all odds

H.M.I. Report.

“Mixed School. The school is in good order and though there are weak points in the work I think there are such signs of promise about it as warrant my expecting great improvement next year. The answering in English is fair.

The infants are doing very fairly. Their reading and knowledge of number are better than their writing which must be more carefully done. Object lesson and occupations are fair. No grant can at present be recommended for drawing.”

- August 8th Gave a holiday in the afternoon for most of the children to attend a tea party at the Chapel.
- September 19th Daisy Dell appointed monitress in the place of Agnes Claydon who has left to go into service. The head master has resigned the charge of this school.
- September 21st A half holiday given on account of a tea being given at Mrs Bousfield's, Loosley House.
- October 3rd I James Dell took temporary charge of Lacey Green school pending the arrival of the newly appointed teacher
- October 7th Miss Mason, inspectress under the local government board, visited the school and examined those of the scholars who are orphans, boarded out in the village.
- October 22nd I, W.H. Hallewell took charge of this school, with Mrs Hallewell to assist. Very wet and windy, which caused small attendance of infants.
- October 26th Rough weather continues.
- November 4th Exercise books were started this week and in standard IV and V there is some improvement in the writing.
- December 6th A heavy fall of snow. Many children are absent with colds and several through measles.
- December 9th Very rough weather. Medical order received to close school for three weeks on account of measles.

1893

- January 2nd Medical order to close school for another week.
- January 9th School opened with only 48 scholars. Many are still ill, and those who are better are kept indoors on account of the cold snowy weather.
- January 13th Weather has remained bad all the week.
- January 16th Heavy snowstorm.
- January 19th Sent a list of names to Mr Bell, of children who are taking advantage of the epidemic to absent themselves from school.
- January 20th Snow storms and severe weather. Work as usual.
- February 13th The mistress has this day received leave of absence for four weeks for confinement. Daisy Dell is filling her place.
- February 22nd A heavy fall of snow caused attendance to be small. Many of the children are still in a weak state of health resulting from the recent visitation of measles.
- March 1st Attendance small owing to heavy rain and wind.
- April 21st The vicar has had a cabinet made for a school museum, for which specimens are being collected by master and children. The children are taking greater pains with their work than formerly and the average attendance is increasing. Two concerts have been given during the winter, with the object of obtaining prizes for children. G. Timms is in the eye hospital. Average for the week 80.
- April 27th The infant department of this school will now be transferred to Loosley Row and the upper scholars of that school will be sent to Lacey Green, as from May 29th.
- May 2nd The alteration of schools above mentioned is postponed till receipt of report.
- May 5th Half holiday given for Sunday School tea at the vicarage.

Lacey Green School - Against all odds

May 8 th	Half holiday given for tea at the Chapel.
May 29 th	Reopened school. Admitted 10 children from Loosley Row.
June 5 th	Admitted 5 children from Loosley Row.
June 9 th	Average for the week 84.
June 19 th	Holiday given for choir excursion.
July 3 rd	Several children from Loosley Row absent owing to a tea at the Chapel there.
July 7 th	Today the first standard is transferred to Loosley Row school.
July 17 th	Several children away in the harvest field.
July 21 st	The attendance has suffered this week on account of harvest commencing and the wet weather.
September 4 th	School reopened. The harvest is not yet over so attendance poor.
September 13 th	Ernest Biggs and Thomas Hammond were punished for playing truant.
September 15 th	Alfred Hickman was punished after repeated warning, for interfering with girls on their way home from school.
September 21 st	Half holiday given on account of a tea given at Mrs Bousefields at Loosley Row.
September 25 th	Small attendance this morning owing to a fair being held at High Wycombe, and the day being observed as a general holiday. Half holiday given this afternoon on account of a tea being held at the Chapel.

H.M.I.Report.

“Mixed school. The school has been overweighed this year with epidemics, changes in the staff and by a somewhat ill judged attempt to take up too many subjects. The result is weakness all round, but weakness of which the master is now well aware and which I have every reason to believe will not be found to exist when next the school is visited. The sewing and order are good.

Infants class. The infant’s class may be reported to be in pretty fair general condition. Mrs Hallewell found it in a backward state, but she has made something, if not much, of it. If it still exists next year, I shall look for more intelligence in reading and recitation, a full list of object lessons given, and drawing from improved apparatus and methods. The ventilation of the classroom must be improved and the windows be made to open. Additional closets are needed. The cells must be lighted and the offices must be more frequently cleaned. The managers should consider whether space for playground cannot be obtained.”

October 20 th	Agnes Dormer is suffering with scarlet fever.
November 14 th	Fred Harvey is absent with scarlet fever.
November 20 th	The attendance was small today owing to the high wind and severe snowstorm.
December 1 st	Small attendance owing to a snowstorm.
December 8 th	Albert Barefoot has fallen with scarlet fever.

1894

January 8 th	The school opened with small attendance owing to the severe weather.
January 9 th	Bad weather still prevails.
January 31 st	Visited the Evening Continuation School. Fourteen scholars present. Note books should be used for all subjects.
February 1 st	The school has been entered during the night, but nothing is missing.
February 12 th	Lily Eggleton went home at playtime this morning, therefore her mark is cancelled and she will not be re-admitted till I have seen one of her parents.
February 27 th	John Howlett was warned for interfering with the elder girls. An offence for which he has been punished twice before.

Lacey Green School - Against all odds

March 9 th	Ivor Lane is absent owing to diphtheria.
March 12 th	Evening Continuation school closed because of lighter evenings. It opened 72 evenings during the session.
March 27 th	Annie Dyer was kept in this afternoon but while the master was engaged with the vicar she went home.
March 28 th	For leaving the school without permission of the master Annie Dyer was kept in again, then Mrs Currell, the child's foster mother fetched her out of the school, using filthy and abusive language to the mistress.
March 29 th	The child was sent to school, but was sent home again until the return of the vicar.
April 2 nd	Small attendance this afternoon owing to tea at the Row Chapel.
April 9 th	21 children admitted this morning. average for week 77. Staff consists of: Master W..H.Hallewell Needlework Mrs Hallewell Monitress Daisy Dell.
June 4 th	No school owing to the very heavy rain.

H.M.I. Report.

“The general condition of the school is fair. It has improved so much as I expected. The dictation is a weak point especially that of the older children. Sums are fairly well done, except the problem which is seldom solved. The children's intelligence is low. They do not even know the meaning of their recitation exercises. No grant can be recommended for the geography in consequence of the indifferent answering of the second and third standards, but the fair grant may be suggested for the sewing, a subject in which the younger children show weakness. I hope to find great improvement next year or the organisation grant may be injuriously affected. The registers should be more frequently tested by the managers. The ventilation of the class room should be improved at once. The staff should be at once strengthened.” As my Lords observe that the boys have failed in their class subject, I am to request the attention of the managers to Article 84.

June 5 th	The evening continuation school is in good order and has passed a satisfactory examination in reading, writing and arithmetic.
June 22 nd	The Woolwich Guardians visited the school to see the orphans boarded in the village.
July 13 th	The window in the classroom has been made to open.
July 30 th	Albert Barefoot was sent home for his mother on June 28 th . He has not yet returned to school, neither has his mother been to see me.
August 1 st	Half holiday given on account of a flower show in the village. Some children in the harvest field.
August 7 th	A holiday given as a large number visited either Waddesden or Wycombe Flower Show.
August 8 th	Children beginning harvest work. Average only 48. Closed the school for four weeks.
September 10 th	The vicar advised to close for another week.
September 18 th	John Howlett and Harry Saunders lost their mark as they came to school at 10.5 a.m.
September 19 th	John Howlett and Harry Saunders lost their mark as they left school at 3 p.m.
September 21 st	Many children still in the harvest fields.
September 24 th	A holiday given this afternoon as most of the children wish to attend a tea at the Chapel.
October 19 th	Fires were started this afternoon.
October 31 st	Closed early at 3.30 so as to allow children to attend a tea at Loosley Row school.
November 8 th	John Howlett, Harry Saunders, Sidney Gibbons and Albert Rutland were punished for playing truant yesterday.
November 12 th	Very heavy rain so small attendance.

November 14th School closed owing to very heavy rain.

November 16th

Scripture Report.

“After an interval of three years I find a marked change for the better. The only unsatisfactory part of the work is the explanation of the catechism, which is not known in any part of the school. The scripture work on the other hand deserves a high mark. I think standard one should if possible be taught separately. They seem to do their work by proxy and to allow the higher standard to answer for them. There is a pleasant tone throughout the school.

Prize. Bessie Redfern

November 16th The average attendance has fallen to 60 owing to very heavy rain.

November 20th Louise Janes commenced duties as monitress. The vicar visited this afternoon to look about having the gallery taken from the classroom to make room for desks, as the large room is very crowded. The school and offices have never been washed down since last Easter.

November 30th Several children absent with colds and sore throats. Mr Hallewell ceased to have charge of this school.

December 3rd F.E. Brown certified master, took temporary charge. Reverend Kelly handed the key of the desk to the teacher.

December 5th A very irregular boy, William Anderson, attended school this morning. He has made 25 attendances this quarter out of a possible 91.

December 10th I succeeded in getting Albert Barefoot to attend school. He has been absent 18 weeks. Only 5 present in the afternoon because of a funeral.

December 18th As the schoolroom was used as a polling station a holiday was given.

1895

January 7th I, Alfred Brown, cert. master, undertake the duties of headmaster, with wife as assistant mistress. Attendance very bad as weather very severe. Examined the school in the three R's. It is to be seen that the school is in a very backward condition.

January 8th Examined school in geography with most startling revelations. Not any standard could answer the most simple question.

January 9th Needlework in a very backward condition. No garments for the examination yet started.

January 14th Very rough weather, so attendance low. The quick thaw has caused a portion of the ceiling to fall.

January 15th Weather still very bad.

January 22nd The Reverend Kelly visited this morning and thought it advisable to send the children home on account of a heavy snowstorm.

January 25th Ten children have been absent this week through chilled feet.

January 28th A heavy snowstorm fell during the night. Only a few children came and were sent home after the snow ceased falling.

February 1st Severe snowstorms during the week have prevented children from attending.

February 4th Heavy snowstorms

February 8th Attendance this week has been very low again. Sixteen absentees are suffering with chilled feet and are quite unable to wear any shoes.

February 11th Again attendance very low. I sent after all absentees who are still suffering with chilled feet.

February 22nd Chilblains are still preventing the absentees from attending.

February 25th Weather still very rough.

March 1st Eleven children away through chilblains.

Lacey Green School - Against all odds

March 4th Another heavy fall of snow.
 March 27th Heavy rain, only 49 attended.
 April 5th Mrs Brown has carried on this week, assisted by the Reverend W.F. Kelly in scripture, as I have been laid up with influenza and bronchitis. William Anderson attended this week. For year ended March 31st he has only attended 63 out of a possible 411 times.
 April 12 Mrs Brown has carried on as usual during my absence with bronchitis.
 April 16th I commenced school after Easter and a fortnight's illness. Lily Weller returned after 11 weeks illness.
 April 25th Weather very wet.
 May 1st May Day holiday. Number on the books 90.
 May 10th I have ascertained that the children have been kept from school to gather dandelions. Only 29 have made full attendance this week.
 May 13th The majority are away on account of the Chapel tea.
 May 27th 31 scholars absent this morning on account of a tea at the Row Chapel. Gave a holiday in the afternoon.

H.M.I. Report.

The general results of the examination are satisfactory and show careful teaching. The reading of the older children is capable of being improved and they do not show much facility in the working of problems. The answering in geography is very fair except as regards the third standard, which is rather a weak class. The premises are not satisfactory. This matter forms the subject of a separate report.

June 10th Staff:
 A. Brown Master
 Mrs Brown. Sewing mistress
 Bessie Redfern Pupil teacher.
 Alice Lodge Monitress.

June 11th Daisy Adams sent home as she has two ringworms on her neck. A great number away haymaking this week.
 June 26th Daisy Adams returned to school. The heat in school today with 85 children, has been intense and almost unbearable.
 June 27th

Lacey Green School - Against all odds

July 1 st	Very wet. Alice Saunders was punished for insubordination.
July 12 th	Six boys punished for stone throwing after repeated cautioning against it. 20 absent. Sent after absentees without any effect.
July 16 th	23 away. Weak excuses made by parents for the absence of their children.
July 25 th	Registers closed at 11 a.m. on account of the tea which was held in the schoolroom in the afternoon.
July 29 th	Average 71. The absentees are in the harvest fields.
August 1 st	Average 54. Closed school for harvest holidays.
September 9 th	Opened school with 61 out of a possible 92. The majority of the absentees are in the harvest fields.
September 20 th	Several boys still in the harvest fields.
September 23 rd	Only 56 this morning on account of a tea which is to be held at Lacey Green Chapel and Wycombe fair. A holiday was given through the above cause.
October 7 th	Commenced Evening Continuation school with 4 scholars.
October 9 th	This morning very wet. Attendance 81.
October 18 th	A few boys away potato-picking. Began fires this week.
October 22 nd	Heavy rain. Albert Bearfoot was punished this afternoon for insubordination. He refused to hold out his hand when requested for talking, saying his father told him not to hold out his hand.
October 31 st	Today the registers were marked at 8.55 and 10.55 as the funeral of the Reverend Bousfield's wife takes place at Lacey Green church at two p.m. and my presence is required there.
November 1 st	Attendance down probably owing to another funeral this afternoon.
November 4 th	Another funeral at 2p.m. Mr Poulton, one of the school managers.
November 6 th	Thirty four absent. The probable cause is that last night was very rough and the children will have gone to the woods.
November 8 th	A very inclement week. Visited the evening continuation school. 14 present. A separate log book must be kept.
November 18 th	Three parents have summonses for not sending their children to school. Today 28 seem to have gone to the woods as today is what they term a "gift day"
November 25 th	Several are very ill. G. Lacey was sent home this dinner hour as he had a rash breaking out on his neck and face and he was feverish.
November 27 th	Alice Lodge will be absent for a week, to have her eyes attended to by a doctor.
December 6 th	Very rough weather. Examined the school. The most backward ones are the irregulars, although extra time is spent with them.
December 9 th	Alice Lodge returned. She is obliged to wear glasses at the doctor's recommendation.
December 10 th	Low attendance this afternoon because of a funeral at 2 p.m. of one of the children's parents.
December 11 th	Alice Lodge has been today to have her eyes again tested by a doctor at Oxford.
December 12 th	Attendance low. Heavy rain. I have again been obliged to speak concerning telling falsehoods, as several just recently have told lies to their parents with regard to their work in school. This has occasioned a few parents to call but I couldn't elicit the names of the children as the parents blankly refused them.
December 16 th	Harry Rutland returned after five weeks absence caused through chilblains
December 19 th	Carrie Rixon returned after a month's illness. Several away with bad colds. A heavy fall of snow. Only 64 present.
December 20 th	A magic lantern show has been given. The proceeds of which after expenses will go to purchase prizes for regularity and progress.
December 30 th	Reopened. Heavy rain. Only 57 present. William Harvey returned after five weeks through having cut one of his fingers off. Alice Harvey returned after seven weeks absence through illness.

Lacey Green School - Against all odds

1896

- January 10th 12 children absent through illness. Punctuality, cleanliness and tidiness are improving. Two scholars absent through having ringworms.
- January 21st The managers' attention has been called to the projection facing the road which is likely to fall at any moment and endangers the lives of the scholars.
- January 27th The builders have commenced repairing the school.
- January 28th Repairs to the school finished.
- February 4th A small attendance this afternoon probably owing to a sale which is being held at Mr F Poulton's farm, lately deceased.
- February 5th Notes were brought by the absentees of yesterday giving as the cause "Attendance at the sale with parent"
- February 14th Parents excuses for keeping their children from school are very frail, e.g. "My son has been such a good boy that I gave him a holiday today." The boys' urinal was attended to. The registers will be marked at 8-45 tomorrow being Ash Wednesday, as the children go to church at 11-15. 5 children absent with colds, chilblains or ringworms.
- February 28th Low attendance owing to the very rough weather of wind and rain. Louisa Janes returned to school after a month's illness with chilblains.
- March 13th It seems impossible to do the teaching in an efficient manner during these large attendances. The clumsy desks and want of proper space all adding to the difficulty. Average for week 80.
- March 18th Average 62, owing to a heavy fall of rain. Boys drawing examination this afternoon. Holiday given to the girls as usual.
- April 16th Attendance good which is somewhat remarkable as this has been a very wet day. James Baker and Ivor Lane are still away with ringworms.
- April 24th The fall in attendance is because the children have gone to gather dandelion flowers.
- April 30th The usual holiday tomorrow being May Day.
- May 6th Before commencing this morning a portion of the ceiling fell down. Holiday given the rest of the week.
- May 11th Holiday given this afternoon because of a tea at the Lacey Green Chapel. Admitted 12 children, 7 of whom didn't know the alphabet.
- May 12th Admitted 7 children.
- May 15th Average for the week 89. Owing to the large number of children in the school the musical drill has not been taken due to the want of space. The children admitted this week are a hopeless lot for standard 1. Since the Loosley Row School has been closed they are almost wild and have forgotten everything concerning school work that they did know.
- May 22nd As part of standard 1 can make letters and figures and the other part can't, two teachers are obliged to be at the one standard. It seems incredible that children from seven to eight years old don't know the alphabet.
- June 1st School closed on account of the anniversary at Loosley Row Chapel.
- June 5th The number on the books this week is 101. It will be seen that a great number of children have been absent. They have given no reasonable excuse whatever. A list of absentees will be forwarded to the attendance officer.
- June 12th The school has been unbearably hot. Ten children are absent, the predominating ailment is whooping cough.

H.M.I. Report:

"Mr Brown shows an efficient school, where the work is done with neatness and care and very fair accuracy and intelligence. The answering in geography is good and the grant is deserved for note singing and needlework."

- June 26th After school this afternoon the prizes were distributed for attendance, skill in needlework and general progress, by Mrs Kelly,

Lacey Green School - Against all odds

- June 29th accompanied by the vicar and Miss Kelly. 37 children received a prize. 12 children are away ill and others have been haymaking. James Baker returned after an absence of 26 weeks illness. Daisy Adams returned after a month's illness. Mabel Loosley, Elizabeth and Polly Anderson and Clara Wood after 3 weeks illness.
- July 6th Ada Stone returned after an absence of 5 weeks. A great number are away ill or hay making.
- July 7th The attendance this morning is only 59. This is owing to a Chapel tea at Loosley Row. Mr A. Ward, father of Clara Ward, called to say that he was very sorry he couldn't send his daughter more regularly as she was always ailing. The child is without doubt consumptive. George Janes returned after 8 weeks absence.
- July 8th Attendance 80. The schoolrooms like an oven. The lower standards show weakness all round. This is owing to the prevailing illnesses, whooping cough and croup.
- July 13th Attendance down. An anniversary at Speen may perhaps have something to do with it. Several have already gone into the harvest fields, others are ill.
- July 17th Average attendance for the week only 74. Only 7 away ill. The remainder are absent working in the harvest fields, both boys and girls with their parents. Not one standard III boy present. Annie and Lizzie Clark returned after an absence of 3 weeks.
- July 23rd School closed.
- August 31st School recommenced with 62 children. This is due to the inclemency of the weather and a number still in the harvest fields.
- September 2nd Attendance fallen through being a very wet day.
- September 4th Number on books 98. Attendance 63. Extremely wet weather.
- September 7th A bazaar at Speen is the cause of diminution this afternoon. The Pupil teacher went home this afternoon to study.

The following from the requisition list received:
2 gross exercise books.
half ream blotting paper
3 dozen drawing books.

- September 10th The attendance fell to 58 this afternoon in consequence of the heavy fall of rain. The pupil teacher allowed off this afternoon for study.
- September 11th The Reverend and Miss Kelly and two ladies from the Holborn District for the boarding out children visited.
- September 14th Several children have gone blackberry gathering.
- September 17th The pupil teacher allowed off for study.
- September 22nd A very stormy day. Pupil teacher off. Attendance surprisingly high at 81.
- September 25th Pupil teacher off. Owing to the very heavy rains during the past weeks the wet has penetrated the ceiling by way of the stove piping. This morning the school was partly covered by water from the above cause. Attendance 78, due to heavy rains.
- September 26th Low attendance owing to Wycombe fair and a tea in Lacey Green Chapel.
- October 5th

Materials received, viz:-
half gallon ink
Half ream foolscap
1 box slate pencils
1 box pens.

Lacey Green School - Against all odds

- October 15th The pupil teacher has been allowed time off part of most days for a fortnight in order to study.
- October 21st Only 68 children. This is probably owing to a fair in Risborough.
- November 13th Standard one have made great strides all round. This morning another large portion of ceiling fell down. Fortunately, no one was in at the time.
- November 20th Four builders visited to examine the plans for the approved alterations of the school.
- November 30th The weather being so unfavourable a free day was given to go wooding.
- December 14th No drawing or needlework can be taken as it is so very dark.

Diocesan Examination Report.

“The religious instruction has been conscientious and has, I think aimed at the real education of the children. The several subjects from the Bible and Prayer Book which had been prepared were well known and considering the largeness of the divisions the answering was very fairly general. The written work was neatly done and showed comparatively few mistakes. The repetition of Holy Scripture and Catechism was good, but in future the higher standards should learn the whole of the catechism and each child should be able to repeat some simple form of private prayer”.

Prize James Baker. Mabel Dowsett.

- December 15th The pupil teacher is obliged to go to the doctor's to have a tooth drawn.
- December 21st A great many children are ill. Attendance 60. Due to very bad weather and the children of Loosley Row Chapel Sunday School staying away to make part of the mourning procession of their late superintendent who is to be buried this afternoon.

1897

- January 8th As there are only very few children here owing to the terribly rough weather the children, by the vicar's directions, will go home as soon as the weather permits. Owing to the heavy rains water has been driven through the roof and consequently through the ceiling in two places as well as the ventilators. May Saunders returned after eight weeks illness.
- January 15th Inclement weather.
- January 20th The strong wind caused one of the window panes to shake out on the south side of the school. To stop the draught a sheet of brown paper has been placed over the opening until mended. This paper takes off much light.
- January 25th The roads are impassable owing to the very deep snow. In most of the bye-roads the snow is on a level with the tops of the hedges, fully six or seven feet deep.
- January 27th Attendance 57. Snow still falling
- February 2nd A new stove replaces the old one today.
- February 3rd Another fall of snow.
- February 5th Attendance only 30 due to very heavy rain. Another portion of ceiling has fallen down.
- February 19th The children are returning after their illnesses
- March 3rd Children marched to church at 11-15 being Ash Wednesday. Rough weather. More children returned after long absences.
- March 16th Heavy rain. Very rough weather.
- April 1st This afternoon the contractors commenced pulling down the “boys lobby”. This is very surprising as I have received no news whatever concerning the future.
- April 2nd Today the boys have had to bring their caps in school, as their cap place is pulled down.

Lacey Green School - Against all odds

- April 5th Several children went to Wycombe to sing at a Chapel entertainment. It is impossible to work in school as the workmen are engaged in pulling down the classroom and the lumbering noise of falling bricks, combined with clouds of dust as a result therefrom is not conducive to either the comforts of children or teachers.
- April 6th Attendance 82. This number completely fills the schoolroom. In fact there is hardly room to move about. The children are obliged to sit with their hats and cloaks on as there are no places to put them.
- April 7th Fall of snow.

H.M.I.Report.

“Mr Brown is conducting this school under great disadvantage, in a way which does him credit. The question of enlargement is still open. In the meantime the classroom is overcrowded and is used as a cloakroom. The ceiling of the main room is tumbling down and the buildings generally seem to be going to pieces. I hope that the funds necessary for the contemplated improvements will be collected and building operations commenced without further delay.

- July 19th Reopened school after being closed 13 weeks. Total on the books 107. Low attendance owing to a tea at Loosley Row Chapel.
- July 23rd 24 children admitted this week. Ten seven year olds are entirely ignorant of the alphabet. A revision of the previous standards work is being made before much new work is attempted, as the 13 week closure of the school has not proved beneficial to the progress of the children.
- July 30th Good progress has been made with the work this week. Total on the books 112.
- August 6th Harvest holiday. The school will be closed for a month.
- September 6th The painters not having finished their work the school will remain closed for another week.

The following list of materials to hand.

13 packets of exercise books.
3 packets of drawing books
2 sets of readers for each class throughout the school.

Cromptons drawing sheets
1 box chalk.
1 box slate pencils
1 dozen penholders
slates
2 boxes pens
Ball frame
1 box counters
1 packet plaiting paper.
2 pkts. embroidery cards
1 packet drawing cards
musical drill book.
1 dozen musical bells. 2 blackboards and easels

Lacey Green School - Against all odds

Combined alphabet and colour sheet.
Needlework materials.
Map of Europe.
Eight pictures.

September 13th Reopened after 5 weeks.
September 24th Admitted William Gibbons and Ernest Anderson, aged eight and nine, neither of whom know the alphabet nor have any idea of it.
September 27th Attendance down owing to a tea at Lacey Green Chapel.
October 13th Attendance down owing to a tea and bazaar at Loosley Row Chapel
November 3rd Attendance down due to a funeral of a Chapel Sunday school teacher.
November 19th The Reverend Bousefield and Reverend and Mrs Robson visited. Several away with bad colds.
November 25th The architect and builder came in.
November 29th Attendance down. Probably through the boisterous weather and bad colds.
December 3rd The pupil teacher has been to attend the examination in Practical Music and Recitation at Aylesbury British School. n.b. Sponges for cleaning slates.

1898

January 17th A great number of absentees are attending a tea at Loosley Row Chapel.
January 21st Admitted Jesse Rutland. Frank Adams left. A great deal of illness is prevalent.
March 18th The pupil teacher has been absent all week, as her sister Annie Redfern died of consumption in a London hospital, and she was obliged to go and help arrange for the burial.
March 24th Very rough weather. The attendance dropped to only 17 out of a possible 94.
March 30th

1898 Report.

1. A sewing table should be provided and kept in this "upper" school room. The table now in the upper schoolroom should be taken into the classroom.
2. A cupboard should be placed where the harmonium now stands.
3. The playground is in a terrible state.
4. Scheme B for next year.
5. Sponges for cleaning slates must be invariably used.
6. Proper maps of England, Ireland, Scotland and Europe should be procured.
7. I find no mention of the "aid grant" in this log book.
8. Apparatus for object lessons and storage of specimens and materials should be increased.

April 22nd The "aid grant"(1897-1898, allotted to Lacey Green and Speen schools jointly is £65 and has been given towards teachers salaries and school desks.
April 28th Heavy rain. Usual May day holiday given for Monday.
May 6th Children have gone to the woods, it being a rough day.

Lacey Green School - Against all odds

May 9th Attendance down. Anniversary of Lacey Green Chapel this afternoon.
May 16th Afternoon holiday on account of Loosley Row Chapel anniversary.
June 9th The Managers have granted a half holiday this afternoon in honour of the school boys first cricket match.
June 20th Several children very irregular and the attendance committee seem to allow a child to stay away three times a week. Received examination books, drawing books, 1 box of slate pencils and half gallon of ink.

H.M.I. Report.

“The school buildings have been greatly improved and the desks and apparatus have been renewed, but there are still a good many things wanted. I made a note of their requirements in the log book. Mr Brown keeps capital order and teaches well and the childrens' work is of a satisfactory kind. The infants form a promising little class. The registers were not tested during the first quarter of the school year. Number on books 98.

June 22nd Staff: A. Brown Master.
Mrs L. Brown Assistant.
June 24th Attendance down due to the hay harvest
July 22nd No school as most of the children are going to a tea at West Wycombe.
July 28th School closed for harvest holidays.
September 16th Average only 67. This is caused mainly through the scarcity of water in the village, the children being employed fetching water from either Saunderton or Holly Bush (Farm at Walter's Ash). Cupboard to hand.
September 23rd No school owing to a tea at Lacey Green Chapel.
October 3rd William Rutland and Harry Saunders attended for the first time since the holiday. Low attendance in afternoon owing to a tea at Loosley Row Chapel.
October 7th Attendance dropped to 68. Most have gone blackberrying. Received specimens: Maps, pencils, pen-nibs, chalk, foolscap.
October 24th

Report.

1. The entrance to the school is in a sorry plight. It needs gravel badly.
2. I am sorry to see that the playground also is in very bad condition. Attention was called to this point last March.

November 17th A large number of absentees have gone to Hampden after sweet chestnuts.
November 23rd Only 40 attendances. This will be due to very rough weather causing the children to go wooding.

Scripture Report.

“The infants were somewhat scanty and indistinct with their answers, but on the whole they knew their work fairly well. The written work in standards II and III were good. The upper standards did better in the Prayer Book than in the Bible. The repetition was good. There is a good tone throughout the school”.

Prize Elizabeth Griffin.
Deserve mention James Baker, Emily Rixon and Mabel Janes.

November 25th Very rough weather. Received the Aid Grant. £15 for the purpose of effecting repairs and providing apparatus. Instead of last lesson

Lacey Green School - Against all odds

Staff: A. Brown Master.
 Mrs L. Brown Assistant

H.M.I.Report.

“The school is still being well and carefully taught. The equipment is being gradually improved in a satisfactory manner. I hope that the entrance to the school and the playground will be put in proper order at once in the manner explained to the managers. The defects of the premises noticed by H.M. Inspector should be removed.

- June 5th Number on the register 91. Several children haymaking. The vicar came and questioned the upper standards in the prayer book subject. The scripture examination takes place on July 7th.
- July 10th Several upper boys away haymaking. Several younger children away with bad colds. No school this afternoon owing to the Speen anniversary.
- July 17th 55 children this morning because of a tea at Loosley Row, therefore no school this afternoon.
- July 21st Average dropped to 64. Several already started harvest work with their parents.
- September 22nd The usual holiday will be given on Monday for Wycombe fair and a tea at Lacey Green Chapel.
- October 9th Attendance only 67 owing to a tea at Lacey Green Chapel.
- October 17th The attendance officer called. He had obtained permission to summon two or three parents.
- October 18th Attendance only 59 owing to a bazaar at Loosley Row Chapel.
- October 25th The Inspectress of the boarding out children visited.
- November 3rd Average for week 72. Number on the books 83. This fall is owing to 2 families leaving the village.
- November 17th The parents of Frederick and Albert Saunders and Ellen Eggleton were summoned for not sending their children regularly.
- November 21st

Report.

“I am glad to hear that the playground too will be put into good order shortly. Mr Brown has too much on his hands. Suitable assistance should be found for him as soon as possible.

- December 1st I have notified the attendance officer that Ellen Eggleton and Frederick Saunders have not attended since their parents were summoned.
- December 8th Fred Saunders attended this week but not Ellen Eggleton whose father has a birth certificate showing her to be 15 years old. A rummage sale is to be held in this school on Monday afternoon in aid of the schools. A half holiday will be given in consequence.
- December 13th Heavy snowstorm so no school.
- December 15th The average for the week has dropped to 54 owing to illness and the very rough weather.

1900

- January 12th Average for the week 64. Number on the books 81. Amount of grant aid £20, for the purpose of increase of salary for assistant £5, playground £10, books and stationary £5. Received: exercise books, 2 boxes pen nibs, 3 quires foolscap, half dozen compasses for drawing, small quantity chalk, 44 pieces India rubber.
- February 2nd Attendance down to 42 through the extremely rough weather.
- February 5th Attendance down to 43 owing to deep snow.

Lacey Green School - Against all odds

February 9 th	Average 52, owing to deep snow and illness.
February 16 th	Another very deep fall of snow making the roads impassable.
February 23 rd	Raymond Gomme returned to school after seven weeks absence with rheumatic fever. 17 children away all the week through illness.
March 9 th	The vicar, Mr Robson and the Reverend Corder came in. Mr Corder took a shortened form of the "order of morning prayer" with the whole school, instead of the usual prayers. At 9.25 the vicar took the upper division in scripture.
March 23 rd	Mr Corder came every day this week taking prayers till 9-25. Very rough weather.
April 3 rd	No school tomorrow as the ballot for District Councillors takes place here.
April 6 th	The Reverend Corder took prayers and finished at 9-30. Harold Rutland returned after 15weeks illness.
April 13 th	The school will be closed on Good Friday and Easter Monday only, as the managers have not sanctioned the usual weeks holiday.
April 17 th	As only 32 were present the managers ordered the school to be closed for the day.
April 18 th	Still very few present.
April 19 th	After this morning the school will be closed for the remainder of the week as the master is suffering from a congested throat.
April 27 th	Mrs Brown has carried on the school the greater part of the week as the doctor refused the master permission to resume his duties.
May 14 th	The school will be closed this afternoon owing to the Lacey Green Chapel Anniversary.
June 29 th	Mrs Robson accompanied by the vicar came in and distributed the prizes to the scholars for regular attendance. Several children have been haymaking.
July 4 th	Several away haymaking.

H.M.I.Report.

"Mr Brown's hands are too full. He cannot teach so many classes effectively without help, and the effort to do so is telling on his health. I hope that this matter may engage the immediate attention of the managers. Mrs Brown is looking after the little ones in the classroom with success".

	Staff:	A. Brown	Master
		Mrs L. Brown	Assistant (infants)
July 9 th	Low attendance owing to a tea at Speen Chapel. Received Examination books for quarterly exams. Drawing books, kindergarten maps, 2 boxes pens, part box of chalk, poetry books for upper division.

July 19 th	Mrs Robson came and had "window blinds" put up in the classroom.		
July 23 rd	Attendance low because of Loosley Row Chapel school treat, therefore a holiday given in the afternoon. Several children have gone to work in the harvest field.		
August 3 rd	A majority of absentees are now away with their parents in the harvest field.		
August 8 th	Opened with 17 children present. The vicar thought we had better close and open again tomorrow.		
August 9 th	Opened with 12 children present. The managers thought it best to close for the harvest holidays.		
September 24 th	There were only 51 present on account of Wycombe fair and a tea at Lacey Green Chapel, so closed for the afternoon.		
September 27 th	Heavy rain.		
November 30 th	Order for ink given to the managers.		
December	No ink yet to hand. The lower division obliged to use lead pencils.		

Lacey Green School - Against all odds

December 14th Received one pint ink.

Diocesan Report.

“The children have passed a very good examination. The answering in each division was intelligent and general. The repetition of Holy Scripture and Catechism and the written work were all very satisfactory.

Prize. Mabel Janes.

Commended. R. Currell, G. Lacey, S. Randall, T. Atkins, G. Smith, H. Rixon, H. Witney, A. Smith, E. Anderson, M. Smith, F. Janes, D. Saunders, A. Janes, C. Hawes, G. Hawes.

Lacey Green School - Against all odds

H.M.I. Report "Mr Brown has gone, but there is every promise that the school will thrive under his successors. The Board of Education note that the medical certificate sent in support of the abatement of the minimum number of meetings requires the closure of the school for a fortnight only. It will be seen from the enclosed form that, calculating the deduction to be made for the total of 400 according to the formula therein contained, the school should have been opened at 383 times. The Board of Education have decided on the present occasion to pay the grant, but will expect strict compliance in future. A.E.Hawes cannot be recognised until she has had more experience of teaching in a public elementary school. The certificate of M. Gibbons will unless the inspector should withdraw his favourable report be issued upon his completion of eighteen months of recorded service. The exact dates of such recorded service should be given in the application.

August 1st Holiday for harvest.
September 1st School reopened with only 31 present. Mrs Gibbons will not re-commence duties for some few weeks owing to indisposition. February 17th Twelve infants absent all week with whooping cough.

February 24th Sixteen infants absent all week with whooping cough.

March 17th The weather has been very stormy this week but attendance is gradually returning to normal.

April 14th

H.M.I.Report

“Mixed. Mr Phillips has made a good start and the school should continue to do well. The teaching is thoughtful and the children are well behaved and attentive.

Infants. The infants class shows a very marked improvement. The little people are eager and interested in their work and the teaching and discipline are of quite the right kind.

The question of improving the cloakrooms and providing lavatory accommodation should receive attention. The two cloakrooms are still altogether too small and inconvenient. They should be improved and arrangements should be made for providing lavatory accommodation. The dado still needs renovation.

May 15th Owing to the children’s tea in connection with the Chapel anniversary a half holiday was given by the managers.

H.M.I. Report

“This is an excellent school and has certainly improved since last year. The results of the examination were good throughout the school. The written work was only fairly good, except in standards V, VI and VII, where it was very well done indeed. The hymn singing was true and spirited. The religious tone and discipline of the school struck me as being good. Great credit is due to all the teachers who are evidently greatly interested in their work and inspire the children with the same zeal and keenness.

Diocesan Report

If anything I should say that this school is even better than last year and I desire to compliment the master and teachers on the excellence of the work done amongst the children. The infants' class is delightful and all through the school the children answered admirably. It is always a pleasure to inspect this school. The religious tone and discipline are of a very high order.

January 7th Reopened school

April 19th Four boys absent attending the labour examination at Risborough.

May 6th School closed this afternoon owing to the Lacey Green Chapel anniversary.

Lacey Green School - Against all odds

H.M.I.Report

“Considering the staff which is not a strong one, the school is doing as well as can be expected. The teachers work hard and the instruction everywhere reaches a very creditable level. Composition all through the school should receive more time and be treated on broader, i.e. less recollective, lines. Object lessons, if they are to serve their purpose must always be fully illustrated.

In the infant class too, the staff is not strong. Miss Hawes manages these little ones with skill, but if she is to have a fair chance she will need help. A supplementary teacher who could divide her time between the main room and the infant room, would meet the case.

I must again point out that the cloakroom accommodation is deficient and that there should be a better form of lavatory.

The managers should now be required to take these matters in hand without any unnecessary delay. Last years report on the premises does not appear in the log book. I must ask that this omission may be made good and the terms of the code be strictly regarded in future”.

- May 7th Lily Brooks, infant, was sent home because her head was not clean. She was not in a fit condition to sit beside the other children.
- June 6th School closed to allow staff to attend the educational conference at Aylesbury.
- June 17th The pupil teacher will be absent from school this week as she was called away suddenly, owing to her mother falling very ill.
- July 11th Allowed the boys in the cricket team leave at 3.30 p.m. that they may journey to Risborough to play the boys of the National School the return cricket match
- July 30th Eight scholars in the upper class have provided themselves with dictionaries.
- September 9th Reopened school. 59 present. 85 on books. Cause a late harvest.
- September 13th Low attendance. Late harvest.
- October 3rd This evening the boys football club commenced practice.
- October 8th

Report

I regret that I cannot hear of any intention to improve the cloakroom accommodation. The boys little lobby is seriously inadequate. It is very small. There are 42 pegs for 70 boys and the space is reduced by the make-shift lavatory -a wash basin set upon a chair. Against this I am glad to notice that the premises have been thoroughly done up, inside and outside and that the playgrounds have been put in order.

- October 9th A very small attendance this afternoon owing to a bazaar at Loosley Row.
- October 11th Commenced fires this week.
- October 18th Weather very wet this week.
- October 25th The parents of two boys have been summoned for irregular attendance. Good progress is being made in the infant room, especially in reading and drawing.
- November 8th As it became rather dark about 3 p.m. the ordinary lessons were suspended and voice exercises and singing taken instead.
- November 19th As the afternoon is fine I am taking thirty boys to the football field to play football as an organised game.
- November 26th Wet and wintery.
- December 12th The supplementary teacher, Mabel Janes, has been absent attending the preliminary certificate examination in reading, recitation and practical music in Wycombe.
- December 18^t The supplementary teacher, Miss M. Janes, and the pupil teacher, Miss D.M. Parslow, are sitting for the preliminary certificate examination to be held at Wycombe.

Diocesan Report.

This school still maintains its high state of efficiency, though the upper group did not do quite as well as in former years. Still good work is being done, and there is an esprit de corps in the school, which is admirably fostered by the headmaster.

The infant class is exceedingly well taught. I am always struck by the keenness of the children. The religious tone and discipline seem very good. The written work was good and the writing very clean and neat.

- January 6th Received new door mats, a coal scuttle and a shovel. Also one long handled hair broom, a scrubbing brush and a sieve for sifting cinders, for the cleaner.
- January 8th Snow.
- January 14th Allowed the boys football team to leave at 3-30 p.m. that they might proceed to the meadow for practice.
- January 17th Instead of drill lesson, took the football team to the field to play a match with the British School, Princes Risborough
- January 29th Miss Janes absent suffering from a sore throat
- February 7th Miss Janes is still absent and now reported as suffering from scarlet fever.
- February 10th Many children have been kept at home as a precautionary measure, owing to the outbreak of scarlet fever in one family.
- February 14th A few cases of influenza have been reported.
- February 21st Much interest has been shown recently by the older scholars in current events as portrayed in the Daily Mirror. A lesson on England's "Little war" on the Indian frontier was given during the week. Mabel Janes still absent.
- February 28th For more than a month past the master has taught in the main room without help.
- March 2nd Two feet snow.
- March 3rd Snow falling fast
- March 6th Several absent with influenza. Two boys left being fourteen years of age.
- March 20th The boys football team will journey to Princes Risborough to play a match with the boys of the Longwick school. Miss Janes has been absent nearly eight weeks.
- March 23rd Miss Janes returned today
- March 25th Very wet.
- April 1st Every child is present this morning.

Lacey Green School - Against all odds

H.M.I.Report.

The teaching and control in this school are alike quiet and effective and I am glad to find the children intelligent and keen. Their clear utterance and their power of expression through speech are pleasing features. Arithmetic is well taught and most of the work reaches a good standard. I am glad to hear that the older children are given work to prepare for themselves. Suggestions as to drawing and other subjects will doubtless be carried out. Terminal reports should be fully made out

The infants are in skilful hands. Their progress in reading calls for mention and generally things are on quite the right footing.

The managers are unable in view of possible legislation to carry out their intentions of improving the premises at present.

- April 16th Five children left school today having obtained exemption certificates.
- April 30th William Parslow in the infant class is over seven years old.
- May 15th Miss Hawes and Miss Janes are attending the classes in clay modelling held at High Wycombe on Tuesday evenings.
- May 22nd This evening the boys will play their first cricket match this season with the boys of Princes Risborough National School
- May 25th Devoted the morning to the celebration of Empire Day.
- June 4th In the evening the master and the two teachers attended the first lecture on cardboard modelling held at Wycombe.
- June 26th The master is attending a course of lectures on school gardens at Aylesbury on Saturday mornings. This morning a little girl named C. Redding stood upon the stile and fell upon the iron railings which are around the playground, causing a very nasty wound in her leg.
- August 4th Charles and John Ede returned after an absence of 10 weeks due to illness of their sister with typhoid fever.
- August 7th Owing to the flower show and other attractions in the neighbourhood the attendance this week is very low. Closed for the summer holidays.^h
- November 9th Hung a framed picture of Ilfracombe Harbour. This being the King's birthday, at the close of the morning session, the children sang the National Anthem.
- November 10th After the interval in the afternoon the master showed the whole school about 60 views of Canada on a magic lantern
- November 11th By permission of the managers an entertainment consisting of conjuring will be given at the close of the afternoon session.
- November 12th I sent my resignation to the managers today, 3 calendar months.
- December 2nd School closed this afternoon on account of a concert this evening.

Diocesan Report

Thoroughly satisfactory. This school is doing good work on good lines. The only thing that I have to suggest is that the written work of the lower group which was rather below the average should receive special attention this year.

Diocesan Report

"A good school deserving commendation and encouragement. Tone and discipline are good. The singing admirable throughout. The infants were delightful and their work most creditable. The second group were excellent in their oral work. The first group shewed evidence of careful teaching and did their written work well, but attention should be assiduously given to the clear and definite explanation of the ordinary words in the church catechism. There seemed to be a lack of suitable scripture pictures for the infants.

- June 24th

H.M.I.Report 1910

This school is in a very healthy condition and I am much pleased with the way in which the work is being carried on. The teaching is thorough and well thought out and the level, of attainment generally is high. The children take an interest in what they do and work keenly. The written work is particularly neat. In the composition of the highest group there is plenty of original thought. It is in the direction of the development of the individuality of the children that the main line of advance in the future should lie. Brushwork shows very creditable results and singing deserves mention. In the lower groups the teaching rightly has for its aim the training of the intelligence of the children and good work is being done. Infants. These are bright little children, they are managed very pleasantly and are taught with care. Reading in the first class is remarkably good.

- July 4th 96 out of 97 this morning. Infants taken into hayfield for lesson on hay making.
July 19th. Physical exercises taken in school, boys and girls together. Edith Witney and Alfred Smith passed the labour exam.

Diocesan Report

A delightful school in which all the religious subjects had been very well taught especially the acts and the prayer book. The infants were very bright in their repetition and answering and the work of the middle group was very satisfactory. Indeed all the groups were good. The discipline and tone left nothing to be desired. I congratulate Mr Wiltshire and his good assistants and I award a special certificate for a very well written paper in the upper group.

Bishop's prize Fred Brooks.

May 24th Empire Day.

H.M.I. Report

This school is being conducted in a very satisfactory manner and the work reaches a high standard. The neatness of the written exercises and the ready response in the oral lessons prove that the teaching is effective. In the upper groups composition shows signs of individuality. Nature study is a good feature, and brush drawing and singing are highly creditable. Cardboard modelling has made good progress, it should lead shortly to light woodwork. It is hoped that the elder children will be encouraged to study by themselves as much as possible so as to learn to rely upon their own efforts. The two lower groups continue to be taught in a satisfactory manner and good progress is being made. The infants are kindly treated and are thriving. Reading deserves special mention.

June 21st Closed school this afternoon for the coronation holidays. Re-open July 3rd.

- October 10th Reginald Tilbury has passed the labour exam.
- November 15th William Rixon has scarlet fever
- November 15th

This is a thoroughly good school, to which it gives me real pleasure to be able to award the highest summary mark of "Excellent" Four things have contributed to this:

1. An excellent class of infants, where every child was able and willing to answer and answered well.
2. The work, both oral and written, of the upper group which was a class distinctly above the average, and where I was especially glad to observe that the younger children in standard IV, were quite as well up in their subjects, as were the elder ones in standard V and VI.
3. The singing of the hymns, which was really good and as regards clear and distinct articulation of the words, quite the best I have as yet heard.
4. Last, but by no means least, the thoroughly keen and energetic spirit that pervaded the whole school.

The middle group was not quite as good a class as the other two, but even here the results obtained were distinctly creditable and did not fall so far short of those obtained by the rest of the school, as to make it impossible for me to award the special mark. The written work of this class was most carefully done, but the teaching should be made if possible rather more picturesque and less mechanical and formal. The children in this class should be encouraged as much as possible to think for themselves and a tendency to somewhat thoughtless answering that I noticed in some children, should be carefully watched and checked, lest it grow, as it can so easily do, into a habit.

Bishop's prize Bertha Anderson

Certificates Archie Witney, Eveline Adams, Gilbert Rigby, Beatrice Rogers.

Commended I Elsie Currell, Ethel Darvill, Frank Rigby, Dorothy Shaw, Albert Janes, Jack Saunders, Elsie Rogers, Harry Rixon.

Report

Unfortunately on the day on which this school was visited two of the assistant teachers were absent so the work was seen under totally abnormal conditions. It is therefore to the credit of all concerned that, on a terribly hot day, the children showed much industry and such creditable work

The new headmaster is to be congratulated upon the continued efficiency of the school, for, speaking generally all the work reaches a good standard. Oral response is ready and intelligent and the written exercises are not only neat and careful, but show thought and originality. Manual work of various descriptions is well catered for. Drawing with pencil, pen and brush is praiseworthy, and light woodwork, though naturally rather crude so far, has made a successful start.

Infants class. Great praise is due to the teacher of this class for the manner in which she performs her difficult task. Reading is again particularly strong but everything shows obvious signs of unremitting care and attention. The children too, are frank, fearless and responsive. I should very much like arrangements to be made if possible, for more work to be done out of doors in suitable weather. The piano appears to be perfectly useless and the blackboard and easel in the infants' room are all to pieces, while those in the upper school are none too sound. The rooms badly need overhauling. Serious, possibly dangerous, cracks are apparent in the walls of the infants' room, and to a lesser extent in the main room. There is also considerable discoloration. As three classes, under three separate teachers, are instructed side by side in the main room it is plain that a folding partition should be provided.

- September 11th 92 out of 93 today.
September 24th Several have gone off to Wycombe fair. Three cases of chicken pox notified.
October 25th Whooping cough is prevalent again., The school has been closed for three weeks.

April 17th Vicar visited. Notified him that the piping round the roof of the boys' lavatory was blown off during the gale last week.

April 19th Nurse examined heads for nits. May Parslow was the only one found to be verminous.

Lily Brown complained of headache and heart bad and gave way to hysterical crying for sometime refusing to give Miss Janes an answer as to why she was crying. Examined her heart and found it was not beating quicker than other girls in the class. Told her she must not give way to hysterical fits.

April 20th The vicar visited and said that Mrs Brown had made a complaint to him about Lily and that he had requested her to put it in writing. He asked for an explanation of the circumstances, which were given by Miss Janes and myself.

April 24th Weather much improved. Have taken advantage of the fine weather and gone to the garden morning and afternoon.

May 1st Many children absent carrying garlands, being May Day. Went to the garden both morning and afternoon.

May 3rd Almost completed setting seeds in the garden. The boys have worked well. There has been irregularity of attendance owing to employment of boys in agricultural labour.

May 4th Several children ill and others to Wycombe market. Inquired the hour children were sent to bed. Only one, Bertha Baker, went before 8-30.

May 8th Went to the gardens both morning and afternoon in order to complete the number of hours required before the end of the month

May 14th School closed in the afternoon for the Primitive Methodist Sunday School annual treat.

May 17th Sidney Weller had a very bad eye. Bathed it frequently in hot water this afternoon. Thunderstorm and heavy shower at the opening of the morning session

May 21st Fred and Ernest Oakford played truant this afternoon being brought to school by their brother.

May 22nd Mrs Oakford wrote saying Sophia had measles

May 24th Empire Day. Children paraded the village with flags and sang patriotic songs en route. A collection was made for the "Over Seas Club". Almost every scholar bringing pence.

Lacey Green School - Against all odds

- October 9th Went blackberrying today both morning and afternoon as weather seemed very uncertain. Children taken on the roads to avoid the long grass in the fields, except where grass was quite short.

Lacey Green School - Against all odds

- October 10th Went to get blackberries this morning. Gathered for the two days 89 pounds.
October 15th Went blackberrying this afternoon.
October 16th Very wet day
October 17th Raining heavily all day.
October 23rd Mrs Avery came into school. A collection was made for "Trafalgar Day"
October 25th Very High wind.
December 15th Sent amount realised by sale of garden produce, £5-1s-5d to Education Office.
December 17th The vicar visited this morning. The classroom was seized by the military who are guarding an aeroplane which descended in the field adjoining the school on Sunday afternoon during a blinding snowstorm. Infants taught with the elder scholars today. Weather intensely severe.
December 18th Infants room still occupied by the military who are guarding the aeroplane. Infants taught in the main room, causing no inconvenience, as the numbers are smaller owing to the severity of the weather.
December 19th Military vacated the infants' room. Aeroplane removed at 8 p.m. last night. Mr Timothy East writes he is unable to deliver coal ordered on Monday owing to slippery roads and cannot get his horses rough shod. Wrote to Mr W. Saunders at Stocking Farm, asking for a loan of a barrow load till the coals arrive which he has kindly granted. Sent Harry Floyd and Frank Brooks to fetch it.
December 20th Weather very severe. Thermometer 38 degrees at 10-15. Snow on the ground and thick fog prevailing the greater part of the day.

January 18th Heavy thaw set in and roads very bad for walking
January 30th Girls and infants entrances being repaired. All scholars using the boys' entrance.
February 4th Very stormy day. Girls pump now in order. Sent off £2-18-0 to Sir Arthur Pearson, Bart, collected by the children in the village for the Blinded Soldiers Children Fund.
February 6th Children brought flowers to make a wreath for Miss Emily Ginger who is buried today.
February 7th Girls entrance now ready for use. New grating put to the drain under spouting at boys' entrance.
February 11th All windows have been mended and the girls' entrance fit for use. Received a letter from Mr.J. Saunders, thanking teachers and scholars for the wreath sent for has aunt Miss Emily Ginger.
February 13th Children to church it being Ash Wednesday. Mr Avery paid an unexpected visit.
September 2nd Attendance very low owing to the falling of an aeroplane in the district: (on the Grubbin) with the correspondent's (of the managers) permission those children who were present went to the scene during the play hour and returned at 11-30. The teachers were in charge

Lacey Green School - Against all odds

of them. Fred Weller, Cecil Weller and Ernest Oakford played truant this afternoon and were fetched from the field by Miss Hawes. The vicar advised that they should be today on the promise that they would not stop at home again. Sent Miss Janes with notices to all parents whose children were away today.

November 11th Armistice signed between England and Germany. Cessation of arms. Children much excited. No holiday given.

November 19th The scholars paraded the village this morning to celebrate the signing of the armistice. After a short service of thanksgiving in the church, the procession which was exceedingly pretty halted at Grymsdyke, the Centre of the Village, Loosley House, The Post Office, Miss Watson's and the Stret Loosley Row. Boys were dressed in uniforms to impersonate the army and navy, girls as red cross nurses. Almost every child carried a banner mounted on sticks and prettily designed by the elder boys. Frank Lacey and Harold Smith had made little banners from the drawings, painted and crayoned, by the scholars during the year. A large Union Jack, carried by Alec Dean had been lent by Colonel Tighe (Loosley House). It was especially prized having been used by the boy scouts assembled at Watlington for inspection by Lord Kitchener the week before war commenced. This of course led the procession. Mrs Tighe most kindly read a message from the Colonel to the children. Words of excellent advice which the smallest child could understand.

November 21st School closed on account of an epidemic of influenza.

December 10th As the roads are in a terrible state for children playing and the playground being equally unsuitable, I opened school quarter of an hour early this afternoon.

1919

January 13th The vicar visited bringing Mrs Weller, who demanded the War Savings of her boy Harold. Head teacher explained that her delay in payment was in the interest of the boy, hoping that Mrs Weller would think better of the matter. Weather very severe.

January 15th Alfred Stevens four years of age, jumped off the back of a cart horse on hearing the bell ring for school. Fortunately he suffered no injury.

January 20th Very stormy. Half ton coals came today. Kept all the children that were remaining for dinner in school to take their meal, on account of the weather making the playground and road unfit for the children to stand about in.

January 22nd Weather very severe. Children cannot work well

January 24th Weather very severe.

January 27th Severely cold.

January 28th Heavy snow in the night has rendered the roads almost impassable. Only 11 attended this morning

January 29th Weather very severe. All the children are wearing their coats, arranged to be as near the fire as possible.

January 30th Weather very severe

January 31st Weather still very severe. Children wearing coats and jackets. Drill taken frequently to keep warm.

February 3rd Weather still severe

February 4th Thawing slightly

February 5th Snowing heavily. Snow continues. Allowed children living in outlying districts to leave early as the snow was deep, notwithstanding the plough had cleared the first fall. Attendance good considering the severity of the weather, the long distance many had to come and the cold of the main room.

February 7th Weather still unusually severe. Mrs Cameron kindly presented the gardening prizes. Her gardener, Mr David Smith was the judge. A prize was offered for the best carrot, turnip and onion grown this year. Miss Watson very kindly augmented the actual sum earned by each scholar, as in certain cases the amount did not reach the cost of the article which the children themselves selected. Their choice

Lacey Green School - Against all odds

was excellent in all cases.

An accident to one of the infants occurred in the playground in the dinner hour. Billy Smith, 5 years old, fell down and broke his leg. With the help of Miss Janes and Mr Drage we carried him into the schoolroom on a blackboard. A doctor was telephoned for at once and the Dr. arrived in a short time and attended to the injured leg in the infant room in the presence of the boy's aunt, Mrs Rutland, his uncle Mr Smith, Mr Drage and Mr Floyd. The boy was taken home in a motor and later in the afternoon was conveyed to Aylesbury hospital. Mr Gee and the Education Secretary were informed of the accident.

May 4th

Eleven boys allowed to leave at 3.45 to play in a cricket match at Bledlow Ridge.

July 6th

A holiday was given for an outing to Worthing by teachers and 32 older scholars. The trip was made by charabanc and proved most delightful and enjoyable.

July 27th

Holiday given in the afternoon for an outing to West Wycombe by teachers and all the children not included in the outing to Worthing.

September 3rd

Billy Smith attended after being absent since April 4th through having broken his leg.

September 6th

Harold Dell fell down in the playground and a cut from a stone was so deep that Miss Jarvis at once took him to the doctor for treatment. Miss Jarvis was away from her class about half an hour.

September 27th

The dinner children are now supplied with cocoa instead of lemonade, as the weather is colder.

1929

June 21st

The older scholars and teachers went for an outing to Brighton.

July 12th

Henry Arthurs met with a serious accident to his leg after school in the hayfield and was taken to hospital.

July 19th

A half Holiday was given for a school outing to West Wycombe..

August 2nd

The Reverend C. Oscar Morton and Colonel and Mrs Tighe visited in the afternoon on the occasion of the presentation to the head teacher of a travelling case and handbag, containing money at the conclusion of her nine and a half years service in Lacey Green Church of England School. Letters of appreciation have been sent to Miss Gray from the Education Committee and from the Managers. Wishing the school every success, I resign my charge of Lacey Green, C of E, School, K.F.Gray. School breaks up for the Summer holidays.

September 2nd

I, Arthur Aldridge take charge of the school today.

September 11th

Frank Baker met with an accident at playtime. Phoned for Dr.Love, who came and put two stitches in the child's forehead.

September 18th

The school was closed today on account of the Sunday School outing to St.Albans.

September 26th

F. Rixon Esq. delivered six bags of firewood chips.

October 4th

Mr Marsh, assistant Secretary for Higher Education visited for the purpose of conversing, re. Evening School.

October 8th

Mr Morton visited to inform me Gardening classes to commence 1st November.

December 19th

H. Williams and S. Brett left, being 14 years of age.

Lacey Green School - Against all odds

1930

- February 12th Twenty nine children were absent this afternoon to attend the funeral of the Superintendent of the Chapel Sunday School. Due to the small attendance organised games were taken for the last half hour.
- March 4th Joan Saunders whilst skipping with other girls, badly wrenched her ankle and had to be assisted home.
- June 25th School closed this afternoon to allow children to go on an outing to Wing and Stewkley.
- June 26th Mr Erskine Williams, Dental Surgeon, visited and inspected the childrens' teeth.
- July 24th Children went on an outing to Southampton to view the "Berengana"
- September 1st A new caretaker, Mrs Rixon has been appointed during the holidays, during which time also many alterations have been done to the building.
- September 16th Mr Erskine Williams, the dentist, attended for operational purposes.
- September 17th Mr Erskine Williams attended again this morning.
- October 10th With the approval of the Managers I was absent today for my marriage. (Arthur Aldridge)
- October 30th Ten children were absent this afternoon to attend a wedding.
- November 13th Obtained permission from the Correspondent to the visit the doctor, having a severe pain in my side
- November 28th Thirty one children stayed away this afternoon to attend the funeral of Mr Lacey, who had been a Sunday School teacher at Loosley Row Baptist Church and who had during the week met with a fatal accident.
- December 8th E.D. Jones commenced duties as student teacher.
- December 10th Owing to the incessant smoking of the fire in the middle classes juniors and infants shared the same room.
- December 18th Owing to the Sunday School party being held in the school, the afternoon session commenced at 1 p.m. and closed at 3-30 p.m.

Letter from the Education Committee dated August 1929 to Miss.K.F. Gray.

Dear Madam,

The Committee have noted with pleasure the Board of Education Report on this school.

I am directed to express the congratulations of the committee to you on the satisfactory nature of the report.

Yours faithfully,

E.G. Watkins
Secretary of Education.

The school attendance books consist almost without exception of twenty three surnames. Here is one to conjure with.

In a place called Lacey Green, "Lacey" sounds promising. Had you, not so long ago, and a "foreigner", that is someone who did not come from Lacey Green, set foot here, any "Lacey" would no doubt have told you that it was named after themselves. It's just a pity that in the seventeenth century it was marked on the maps, sometimes as Leasey Green. But information got passed down by word of mouth and who are we to say it is wrong if we cannot prove it, any more than they can. In the thirteen hundreds Princes Risborough belonged to the Black Prince, including Lacey Green, The stud farm where they bred the war horses was there. His secretary was Peter de Lacey. Could there be a link there? Was he given Lacey Green as a reward or favour? The Black Prince's papers are in the Records Office in Chancery Lane, London. I spent a day there, being completely absorbed in what I read, covered in dust from the old documents, and marvelling at the fact that they are still available for us today. Needless to say I did not find those words from the Black Prince's Register saying "I give this land to Mr. Lacey"

Conveyance of Lacey Green School 1875

I, Charles Brown, of Lacey Green in the Parish of Princes Risborough in the County of Buckingham, gentleman, under the authority of an act passed in the fifth year of the reign of Her Majesty Queen Victoria entitled "an act to afford further facilities for the conveyance and endowment of sites for schools" and of the act of the eighth year of the reign of her present Majesty explaining the same, do hereby freely and voluntarily and without valuable consideration, grant and **convey unto the Minister and churchwardens of the Ecclesiastical District of St. John the Evangelist at Lacey Green** in the parish of Princes Risborough aforesaid and their successors. **All that piece or parcel of ground situate and being at Lacey Green in the Parish of Princes Risborough aforesaid, containing eleven poles or thereabouts be the same more or less and measuring in length adjoining the High Road there twentyone and a half yards or thereabouts and in depth sixteen yards or thereabouts as the same is now fenced out and divided from other land of the said Charles Brown and which piece of land intended to be hereby conveyed was many years ago given by the said Charles Brown for the purposes hereinafter mentioned and on which piece of land schools and other buildings have for some years been created and built** together with all easements, appurtenances and hereditaments corporal and incorporeal belonging thereto or therewith and all my estate right title and interest in or to the same premises to hold the same unto and to the use of the said minister and churchwardens and their successors for the purposes of the said act and upon trust subject nevertheless to the proviso hereinafter contained, to permit the said premises and all buildings thereon, erected or to be erected to be for ever hereafter appropriated and used as and for a school for the education of children and adults or children only of the labouring, manufacturing and other poorer class in the district aforesaid and as a residence for the teacher or teachers of the said school and for no other purpose. And it is hereby declared that the said school shall always be in union with and conducted according to the principles and in furtherance of the acts and assigns of the Incorporated National Society for promoting the Education of the poor in the principles of the established church throughout England and Wales - Provided always and it is hereby declared that the said Minister and churchwardens and their successors shall and may from time to time and at any time hereafter with the consent and at the request of the National Society for promoting the education of the poor in the principles of established church throughout England and Wales, otherwise grant or convey for educational purposes but not otherwise, to the body corporate or person the whole of the estate or interest hereby vested in their, or any smaller, interest in the said school in such manner and upon such terms as the said society shall as aforesaid direct and subject to the declaration aforesaid, the said school and the funds and endowments thereof and the selection appointment and dismissal of the school teachers and their assistants shall be in all respects under the management and control of a committee to consist of the Minister for the time being of the said Ecclesiastical District, the chosen Curate or Curates if the said Minister shall appoint him or them to be a Member or Members of the said committee, the churchwardens of the said District, if members of the Established church and subscribers of not less than ten shillings annually to funds of the said school and of three other persons being members of the established church and subscribers of not less than ten shillings annually to the funds of the said school and any vacancy which may occur in the said committee by death, resignation or otherwise of any of the aforesaid other persons, shall be filled up by the nomination on the part of the continuing or surviving member or members being bonafide in member or members of the Established Church and qualified as aforesaid. Provided always that the religious instruction to be given in the said school and the entire central and management of any Sunday school held in the school premises shall be vested in the said Minister for the time being or in his absence in the officiating Minister. And in case any dispute or difference shall arise on any matter respecting the religious instruction given in the said school an appeal may be made to the Bishop of the Diocese whose decision in writing upon the matter in dispute shall be final and conclusive and binding upon all parties. In witness whereof, I the said Charles Brown have hereunto set my hand and seal this third day of February in the year of our Lord one thousand eight hundred and seventy five.

Signed Sealed and Delivered by the above named Charles Brown in the presence of Thos: Parrott, Aylesbury, Bucks, Solicitor.
