

Loosley Row and Lacey Green Horticultural Society Container and Hanging Basket Virtual Competition 2021

Following last year's successful event, we are again holding a virtual container competition. The following rules will apply and it is free to all members.

1. Any container with growing plants is eligible but must have been in your possession for at least a month.
2. Each person may enter up to two containers with any kinds of plants in them.
3. Containers must be less than 1M square/diameter.
4. The container must be photographed from two different positions on the same day. Experience has shown a plain background assists the judges.
5. The photographs may be taken any time up to the closing date for the competition which will be midnight on 28th August 2021.
6. 2 photographs of each container must be submitted by email to leighaxe@btinternet.com .
7. Please label each image separately with your name, entry number 1 or 2 and view a or view b accordingly. e.g., JBloggs1a and JBloggs1b for the first container and JBloggs2a and JBloggs2b for the second container entered. (Names will not be displayed until competition closes)

The competition will be independently judged and the results posted on the village web site as soon as possible after the closing date.

We will also send out a Newsletter with pictures of winning entries.
