

Loosley Row and Lacey Green
Horticultural Society

JANUARY
2022

Happy New Year to all our members we hope you are keeping safe and well. December was very mild and a little wet with New Years Day being the mildest on record. Please keep your photographs coming in, it is so lovely to see what is happening in your garden. *Happy gardening!!!*

Alison Shreeve

Horticultural Society

The Horticultural Society's tree at the Church tree festival.

Chris Boll

Morning sky after solstice. How does each twig know how long to grow to make a perfect dome shaped tree?

Belinda Hurst

This rose is appropriately called Champagne Moments !

Marion and Les Hazell

Laura Chapman

My cyclamen which I received in December 2020, and has been in flower continuously ever since.

Helen Cliff

Taken by David Cliff at The Rowans, Lacey Green

Luke and Denise Cottis

Not horticultural, but many horticultural books make up the tree!

Billy Stott

Witch Hazel. *Hamamelis x intermedia* 'Jelena' flowering in a pot before any of the others have buds showing!

Red Campion. *Silene dioica*- flowering in December!

Remember please keep sending in your photos they can be anything horticultural or wildlife based through to the environment and life in the Chilterns **horticultural.society@btconnect.com**
